GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

Proceedings of the Government of India, Public Works Department (Account—General), dated Simla, 23rd October 1889, Circular No. 18 Public Works.

Abolition of the Executive Engineer's Sub-register.

Read—the following extract from the report by the Committee on Public Works Accounts:—

260. *Sub-register, form No. 30C.*—The Committee thinks that the works ledger will afford the Executive Engineer all the information he needs with respect to his works. An Executive Engineer is concerned with the sanctions and appropriations for specific works, and provided he attends to these he should not be required to summarise his outlay under general heads of classification.

Resolution.—The maintenance of a Sub-register in the Executive Engineer's office serves no practical purpose, and the Government of India is accordingly pleased to direct its discontinuance.
