READ—the following papers:—

From M.R.Ry. V. SUNDARARAMAIA, B.A., Registrar of Assurances,
Kistna, to the Inspector-General of Registration, dated Masulipatam, 21st
May 1888, No. 126.

I have the honor to bring to your notice the urgent necessity for extending the office building of the Sub-Registrar of Bezvada by adding a new room to the existing one, and forward herewith a plan with estimates for the second or "Office" room and asphaltting the existing or "Record" room. The present accommodation is so small that there is scarcely breathing space for the Sub-Registrar, his clerk and peon, three-fourths of the room being crammed in with almirahs, tables, chairs and benches.

2. The estimate amounts to Rs. 1,197, and I am not qualified to pronounce any opinion on the correctness of the same. The Sub-Registrar says that he availed himself of the assistance of a Public Works Department servant in preparing it.

3. No funds are available for meeting the expenditure in the budget sanction of this district for 1888-89, as the building of an additional room costing more than Rs. 1,000 will not come under petty construction.

T. No. 1317.

Submitted for the orders of the Government.

2. The present office consists of a room 18' x 10'.

3. It is proposed to convert it into a record-room, and to build an additional room for the office, as shown in the enclosed plan, at an estimated cost of Rs. 1,197.

4. The work is not one which can be carried out departmentally, and I would recommend that the papers be transferred to the Public Works Department if the additional accommodation be approved of.

5. Bezvada is a self-supporting office.

OOTACAMUND,
26th May 1888.

(Signed) G. HAMNETT,
Inspector-General of Registration.

Approved and transferred to the Public Works Department.

(By order.)

6th June 1888.

(Signed) A. G. CARDEW,
Ag. Under-Secretary.

From J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated 7th November 1888, No. 1722 K.S.

As requested in your No. 2272 C., dated 18th June 1888, I have the honor to submit herewith regular plan and estimate for the necessary extension of the Sub-Registrar's office at Bezvada.

2. All the accompaniments to the above are herewith returned.

Note by the Chief Engineer, Public Works Department.

A plan and estimate of Rs. 1,197 for additions to the Sub-Registrar's office at Bezvada were prepared by the Registration Department and transferred to the Public Works Department with the approval of the Judicial Department on 6th June 1888.

2. The papers were sent to the Superintending Engineer, II Circle, for the submission of a regular plan and estimate, and that officer has forwarded proposals, amounting to Rs. 1,435, for the necessary extension to the building; but the Chief Engineer considers that two of the doors should be replaced by iron-barred windows, and the necessary alterations have been made in the plan and estimate, which will now stand at Rs. 1,520. No allowance has been made on account of the value of the doors.

26th November 1888.

(Signed) H. R. MEAD, Colonel, R.E.,
Ag. Chief Engineer, P.W.D.

ORDER—dated 5th December 1888, No. 3824 W., Public Works.

The estimate, amounting to Rs. 1,520, for extensions to the Sub-Registrar's office at Bezvada, in the Kistna district, is sanctioned.

2. This sanction has been registered as Provincial No. 115 W. of 1888-89, and classified as Civil Buildings, Original Works.
