PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Registrar, High Court, Appellate side, dated 29th October 1889
N^o 2590.

In continuation of my letter N^o 2122, dated 28th August 1889, embodied in G. O. J. D. 1579 dated 10th September 1889, I am directed to forward for the information of Government copy of the Kurnool District Judge's letter N^o 90, dated the 21st October 1889 reporting that the house used for the District Munsifs Court had partly fallen down; and to state that the High Court has recently sanctioned an estimate for Rs 325 for repairing the building.

It is obvious that these repairs will constitute only a temporary make-shift, and I am to request that the construction of a new court-house at Markapur may be considered a matter of urgent necessity.

Order:— 11th November 1889 N^o 1923.

Communicated to the Public Works Department with reference to G. O. 10th September 1889 N^o 1579.

Copy of letter from the District Judge, Kuvool, to the Registrar, High Court, Appellate side, dated 28th October 1889 No 90.

I have the honor to inform you that the District Munsif of Lumbur at Markapur reports that the house used for his Court has partly fallen down and that the rest is in such bad condition that it is impossible to repair it. He further says that it is dangerous to hold Court there and that no other building is available in the town.

He proposes to build 2 thatched sheds at a cost of Rs 667 to be ready by the end of the Christmas holidays. But besides this being objectionable it would not provide accommodation for the present. He asks that 2 water proof tents be procured for use meantime, but of course this cannot be done.

There are at Venkatapur 1 mile from Markapur, 2 Railway construction bungalows which will be vacated about the 1st January, but Venkatapur is not within the Markapur taluk limits - it is I believe within the Venkatapur Zemindari and so I do not think that these buildings would do for the Court. The Court might be

be sent back to Cumbum till the new Court-house is built
but I do not suppose this would be sanctioned.

On the whole I do not see that anything can be done
except to prop up and repair the present building as
well as can be managed and I have instructed the
District Munsif to do this.
