Superintg Engineer's Office
Periyar Project
Periyar 31st August 89.

From

The Secy to Govt
Public Works Dept
Madras

Sir,

I have the honor to request the sanction of Government to the transfer of the Head Quarters of the Executive Engineer No II Periyar Division from Madura to Manchikolam with effect from the 1st September 89.

2. The Executive Engineer has for his own convenience given up his residence at Madura & taken up his abode at Manchikolam, his occupation of the Rest House at the latter place having been

through

(though somewhat unwilling by) sanctioned by me.

3. It is therefore desirable for the proper application of the travelling allowance rules that Nachiarlam and not Madura should be his head quarters.

4. The change should in my opinion apply only to the Executive Engineer personally and not to his office, the head quarters of which should remain at Madura.

The Supg. Engineer's proposal may, I think, be approved by Government under code para 277. It seems clear from Civil Service Regulations article 89 that the head quarters of an officer need not necessarily be fixed at the station at which the records of his office are kept; and therefore his head quarters and those of his office establishment need not necessarily be at the same place. There is, however, as far as I am aware, no precedent for such an arrangement.
