Executive Engineer's office
Ranmad 3rd October 1889.

From

J. M. Taylor Esq.

Superintendent in charge of
Ranmad Division.

To

The Superintending Engineer
W. Circle.

Sir,

I have the honor to report that the following articles destroyed by fire, as already reported in this office No 1696 of 25.7.89, have now been written off the Returns in September 1889, as the accounts of this Division are to be closed prior to its abolition and to request that you will be so good as to accord your formal sanction.

1. Quelling Instrument. Supply 100
with stands No 1179.

2. Staves Quelling telescopes 3rd bunch

2. Chairs with arms

1. Black Canvas.

1. Table with drawers.

1. Scale letter weighing with 3 weights.

* Though this is partly destroyed yet it is of very little use. The weights that are

are not destroyed will be substituted
for those that are wanting in the other
Scales of the office.

I have &c

(Sd) J. M. Taylor

Supervisor in charge
of the Scales.

Letter No 1981 of 3rd October 189, from
Supervisor Mr. Taylor Ramnad, regarding
stores to be written off.
No 772nd.

In his Memo No 4248C of 21st September
1889, the Chief Engineer has intimated that
until the result of the Police enquiry into
the Cause of the fire by which the Travellers
Bungalow at Kammuthi was destroyed,
is reported, no definite orders could be
passed on the question of writing off the
profits and loss, the value of the goods
stores in question. The Police Superin-
tendent was in the office No 269 R. N. on
of 26th September 189, asked for a report
on the matter and ^{it} has not yet been
received.

The stores in question are not in
existence and the accounts of the previous
as far as this Department is concerned should
be

be closed by the ^{27th} end of September; The
undersigned is therefore of opinion that
the articles might be, in anticipation of
the formal orders of Government on the
subject, written off in the Balance Sheet,
noting against the articles, the circumstances
under which they are written off, and
quoting this Memo, copy of which will
be forwarded to the Chief Engineer,
through the Examiner.
