President, District Board, Kistna.

To,

The Chief Secretary to Government,
Local and Municipal Department
Madras.

Sir,

With reference to G. O. No. 1852 W
12-7-89
placing the services of Mr. Mathews, Sub-
Engineer at the disposal of the Kistna
Local Fund Board, I have the honor to
enquire whether the Board are at liberty
to retain Mr Mathews's services for the two
years permitted by the rules.

2. I at first thought that six months
would be sufficient but the state of
the Local Fund District Engineer's
office is such that a very much
longer time will be necessary to introduce
system and order into the department.
A change of Engineer before the office

and establishment are brought into proper working order, is much to be deprecated, and as Mr. Matthews gives promise of being able to effect what is desired, I have the honor to request that the Board may be allowed to retain him.

3. I have consulted the Superintending Engineer, Mr. Hannan on the matter, and he informs me that as he has now his full complement of officers he has no objection to my present request.

I have the honor to be

I don't think the time
has been helped. The
arrangement was allowed
as a very special one to meet a special
emergency & was objectionable in itself. The
Pres. has still nearly two months in which
to get a man.
