In continuation of Circular Memorandum No. 1041-A., dated Simla, 8th May 1888, the following instructions for the preparation of registers (a) and certified extracts (b) from registers of births, marriages and deaths are

V.—Each form should be signed by the officer rendering it, in the space set apart for the purpose at the foot of the forms.

When all the information required in any particular extract cannot be given, such extract (concerning any particular individual) should be held back until it can be completed, or full explanation should be furnished showing why the information cannot be afforded. Extracts so held back can be included, when complete, in the next half-yearly returns.
