Government of Madras dated 1st October
1889 No 223:—

In returning the papers referred to me
for

for remarks under your endorsement
No 743 of the 16th September 1889 I have the honor
to state for the information of Government
that the District Surgeon of Amantapour
to whom a reference was made on the
subject reports that the Municipality
is not in a position to provide funds for
the construction of a hospital according to
the Standard Plan issued with G.O. No 194 W of
28th August 1876.

2. He further reports that since the plans
were submitted he has persuaded the Chair-
man of the Municipal Council to arrange
for the purchase of a piece of land adjoining
the present hospital in order to avoid over-
crowding of buildings in the compound.
He has also noted the remarks made by
the Chief Engineer in paras 3 and 4 of his note.

3. Under these circumstances I approve
of the plans now submitted with the
alterations suggested in paras 2 and 4 of
the Chief Engineer's note, but if there is any
prospect of the Municipality being able
