Enclosures. 1

Sir,

I have the honor to request the very early sanction of Government to the extension, by ~~10~~ 100 feet, of store shed No 1 situate to the north of the main Premises of the Department.

2 — It was estimated that the two present sheds together with the lower Rooms of the main block would have been sufficient to hold the stores of the amalgamated Agencies but

but it is now found on actual experience that the superficial area provided is inadequate.

3— The sheds are at present choked with stores and packed to a dangerous height, rendering it almost impossible to attempt any arrangement according to order of receipt. Bales and cases, containing stores of different kinds are, in places, owing to the insufficient space, rather mixed, and should any additional stores be received from England within the next few months, I am afraid it will be necessary to hire additional accommodation somewhere, till the extension now applied for is completed.

4— Requesting the favor of very early orders on this application.

I have the honor to be,

Sir,

Your most Obedt Servant.

W. Le Douarin Colonel,
Superintendent, Army Clothing.
