PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

THE HON. J. GROSE, M.A.

READ—the following letter from Sir RICHARD BARLOW, *Bart.*, Collector of Madras, to the Secretary to the Commissioners of Land Revenue, dated Madras, 24th June 1889, Ref. No. 1434 :—

I have the honor to request the Board's instructions as to whether the Government notification published at page 836 of part I of the *Fort St. George Gazette*, dated 20th November 1888, authorizing "Mr. Pritchard," late "Acting Deputy Collector of Madras," to perform the functions of a Collector under Act X of 1870, in the matter of acquiring certain lands for the Government brickfields at Egmore, precludes Mr. Plunkett from exercising the same functions. If it does, I request that the necessary notice may be published in the *Fort St. George Gazette* as early as possible.

2. I enclose a copy of the Deputy Collector's (Mr. Plunkett's) letter raising this question.

ENCLOSURE No. 1.

From C. E. PLUNKETT, Esq., Deputy Collector of Madras, to the Collector of Madras, dated Madras, 16th May 1889, No. 500.

By notification published at page 836 of the *Fort St. George Gazette*, dated 20th November 1888, the Government ordered the acquisition of two plots of land in Egmore for the Government brickfields, and appointed Mr. T. Pritchard, the Acting Deputy Collector of Madras, to perform the functions of a Collector and take order for the necessary acquisition.

2. One plot has already been purchased at Rs. 40 a ground and transferred to Government. With regard to the other, the owner urges that the whole property should be taken up, while the Government only want a portion. The land being waste, the Government Solicitor, who was written to, states that the Government are not bound to take up the whole land. The owner now demands Rs. 50 a ground + 15 per cent. thereon, on the score that the separation of the land from the remaining portion would reduce the value of the latter. The Government have, however, placed at the Deputy Collector's disposal an amount calculated at Rs. 40 only a ground + 15 per cent. thereon.

3. I submit the matter for your orders as, although I have now succeeded Mr. Pritchard as the Deputy Collector of Madras, I feel doubt if I am authorized to act under the Government notification referred to *supra*, as it appears to me to be personal, in so far as it relates to the officer by whom the acquisition is to be made and necessary order taken.

4. The connected papers, as per accompanying list, are sent herewith for reference and favor of return when done with.

Reference on the above, dated 16th July 1889.

The Collector is requested to state which of the two plots referred to in the original notification remains to be acquired.

(Signed) M. HAMMICK,
Secretary.

To the Collector of Madras.

READ—the following letter from Sir RICHARD BARLOW, *Bart.*, Collector of Madras, to the Secretary to the Commissioners of Land Revenue, dated Madras, 22nd July 1889, Ref. No. 2179 :—

Adverting to your reference on General Register No. 1993 of 1889, dated the 16th instant, I have the honor to state that it is the second plot, measuring 5 grounds and 1,100 square feet, that still remains to be acquired.

READ—the following letter from Sir RICHARD BARLOW, *Bart.*, Collector of Madras, to the Secretary to the Commissioners of Land Revenue, dated Madras, 25th July 1889, Ref. No. 2179 :—

Referring to this office reference No. 1434, dated 24th June 1889, and in continuation of this office reference No. 2179, dated the 22nd instant, I have the honor to request that, if necessary, a fresh notice may now be published investing the "Deputy Collector of Madras" with powers to acquire the house referred to in the Marine Department notification published at page 834 of the *Fort St. George Gazette*, part I, of the 20th November 1888, as the same has not as yet been taken up.

RESOLUTION—dated 20th August 1889, No. 561.

The letters read above will be submitted to Government with the request that the necessary notifications may be ordered to be published in the *Fort St. George Gazette* investing the Deputy Collector of Madras with powers under Act X of 1870 to acquire the second plot of ground and the house described in the schedules in pages 836 and 834, respectively, of the *Fort St. George Gazette*, dated 20th November 1888.

2. The Board agree with the Deputy Collector in thinking that fresh notices are necessary.
