NOTE OF REMARKS. 374

The four Estimates under review provide for the following works in connection with the Chepauk Park and South Beach Marina, viz.

(No 1) Maintaining Chepauk Park for 1888-89 — Rs 7,628
(No 2) — do — South Beach Marina . 2,999
(No 3) Conservancy of floating latrine . 1,208
(No 4) Senate House latrine — . 592

& Compared with the Estimates sanctioned in G.O. No 1314 W of 13th May 1887 for last official year a minus amount of Rs 520 is shown in No 1 Est: for maintenance of the Chepauk Park; a plus amount of Rs 93 in Est No 2, a minus amount of Rs 40 in Est No 3, and a plus amount of Rs 2 in Est No 4.

The excess amount of Rs 93 in Est: No 2 for maintaining the Marina is stated to be due to the extra labor required to look after the old Hindu cemetery and grass plots at the site of the late fishing village which is apparently a subsequent extension of the Marina. It is further explained that a sum of Rs 1488 realized on the sale of grass, plants &c

for the year 1887-88 has been credited to "Provincial Revenues"; and that in Estimate No 4 for the Conservancy of the Senate House Enclosure a contribution of Rs 148 is to be made by the Madras University vide G.O. No 2029 W d/29th July/87

As far as can be checked the rates are fair.
