1 copy of resignation

At the instance of the Examiner of P.W. accounts, I have the honor to bring to your notice that one B. Lohhanadrirow, who is about 30 years of age was appointed by me as permanent clerk 5<sup>th</sup> class 1<sup>st</sup> Grade in the Bezvada Ancient Superintendents' Office with effect from 8<sup>th</sup> June 1889, and as the appointment was made under the following circumstances, I am of opinion that the sanction of Government is not necessary - But if you consider it necessary, I request that the same may be obtained.

(1) B. Lohhanadrirow was appointed

appointed as permanent clerk in the Postal Department in 1879 when he was 20 years of age and resigned his post in October 1884 to take up an appointment in the late Gudivada Temporary Division (copy of Order accepting his resignation is herewith). He served in the Postal Department for 5 years.

(2) He was clerk on R.S. 20 in the Temporary Division referred to above, for 2 years & 4 months, i.e., from October 1884 to end of February 1887, and after its abolition, he was also sub-protem clerk 5<sup>th</sup> class, 1<sup>st</sup> Grade, for about 2 years, i.e., from 27<sup>th</sup> August 1887 to May 1889 in the Kistna Western Division, and from this last post he was appointed by me as permanent clerk, as he did his work well in the posts he held previously.

(3) According to para 2 of Extract II of Appendix No. 1 quoted in Article 63 of the Civil Service Regulations, the Officer appointing

240 appointing has power to re-admit into the Government Service, persons who resigned their posts, even though they are above the age of 25 years if their previous service proved the capacity of the said persons, as in the present case it did.

(4) Standing Order No. 185 of 20<sup>th</sup> October 1887 to para 176 of the P.W. Code, is silent regarding the readmission of persons who were once in the Government Service but resigned it, although in the Code para 176 superseded by the above Standing Order, there is a proviso to the effect that "this prohibition applies to first admission to appointments entitling to pension". The omission of this Proviso in the above Standing Order appears to be unintentional, as Article 63 of the Civil Service Regulations issued to the Deptt. subsequently, gives the appointing Officer the necessary authority for re-employing persons in the Govt. service under such circumstances.

I have the honor to be,

Sir,

Your most Obedt. Servt.,

J. A. Murray

The Civil Service Regulations discourage entertainment of persons over 25 years of age; they do not absolutely prohibit it, but they allow it only in special cases not clearly defined. They do not however distinctly allow it even in the case of a person previously employed, for para 2 of extract II in appendix No. I merely says that "probably previous service if it proved the capacity of the person, might be a special reason for employment". There is nothing definite in the Civil Service Regulations, but the Madras Code removes the uncertainty and settles the difficulty as far as the P.W.D. is concerned, by requiring sanction of Government in each case, and it makes no exception as regards such case as the one now in question
