The accompanying Estimate for Rs 725 provides for Office furniture required for use in the No 1 Periyar Dn.

The rates cannot be checked but they appear to be reasonable.

Carriage and Contingencies are taken together and provided for at 10 per cent.

It is proposed to have wooden boxes costing Rs 15 each as cash boxes it is questionable whether these boxes are sufficiently secure for cash.

These are only intended to hold small sums, There are I believe some iron chests on the works.

NOTE OF REMARKS.

The Estimate under review amounting to Rs 1300 provides for office furniture for the No II Periyar Division and Sub divisions –

The price of the Cash chest 22"×17"×16" is Rs 118-13-6 and not Rs 120 as given in the Estimate.

The prices of the smaller Cash chests are correct –

The other items cannot be checked but the rates appear to be reasonable –

This Estimate should have passed through the Chief Engineer for Irrigation.

If such charges are to be excluded, it will be necessary to exclude a host of others and practically there will be no line that can be drawn, and after such exclusions, the Rs.500 limit would be absurd.

2. Sanction of Government is therefore necessary.
