To W. Hughes Esq.
Superintending Engineer,
Tiruchinopoly.

Ms 974
20.4.82
My dear Mr. Hughes,
In 1883 (I think) the Government whitewashed, or rather yellow washed the inside of the S. P. G. Mission Church, Fort, painted the corridors and whitewashed the outside. They undertook this in consideration of the historical interest attaching to the Church, first as having been built by the Rev. Christian Swamy, who rendered such signal service to the English Government, and secondly as being the burial place of several distinguished military officers. The Church now requires to be whitewashed and done up again, and I shall feel much obliged if you will get the sanction of Government to have it done. As His Royal Highness Prince Albert Victor will drive that way to Srirangam, I shall be glad if the walls at any rate, if not the whole of the Church, can be repaired and whitewashed before he arrives. Mr. Fonseca was the Supervisor who did the work last, but I do not remember what the cost was. I think it was less than Rs 100.

I am,

Yours truly,
J. L. Wyatt

Missionary S. P. G. Tiruchinopoly.

To

The Chief Engineer
P.W.D.

Sir,

ENCLOSURES.

Letter of 21st
Nov 1889.

In forwarding the accompanying letter of the Rev. J. L. Wyatt, Missionary S. P. G. Trichinopoly, I have the honor to suggest, that under the circumstances stated therein, the repairs required to the Mission Church, Fort, be carried out by this department, as an exceptional case -

2. The last repairs to the Church & the Cemetery attached thereto were carried out by this department in 1882, on estimate Rs 1000 200 respectively, sanctioned in G.O. No. 974 W + 995 W of the 20th & 24th April 1882; but all that is now applied for the Mission is repairs to the Church, and it

These repairs had to be obtained from the Govt. Revenue Dept.

is not likely that they will cost
more than 100 Rupees.

I have, however, ordered the
Executive Engineer to prepare at
once, an estimate for the repairs
that are urgently required, and
if Government approve of my
suggestion, I request that their
approval may be wired, as the repairs
should be carried out at once, or
before the arrival of His Royal Highness.

I have the honor to be

Sir,

Your most obedient servant

W. Hughes
