5TH DECEMBER 1889, No. 3454 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

Proceedings of the Government of India, Public Works Department (Account—General), dated Simla, 26th October 1889, Circular No. 22 Public Works.

Divisional Registers of Sanctioned Estimates and Appropriations.

Read—paragraphs 261—62 of the report by the Committee on Public Works Accounts.

261. *Register of sanctioned estimates and of grants, form No. 41 C.*—The two functions which this register is intended to serve should be separated, as has already been done in Madras. A register of sanctioned estimates is a record which should be kept in a permanent form, and should be continuous for years; while the appropriations last but for the year current, and need not be recorded in a permanent shape.

262. Both records should be reduced to a simple chronological shape, the register of sanctions being divided into separate parts for original works and repairs, and the former part completed by a reference to the completion certificate or report. The appropriation register or sheet should bring out clearly the total allotments to the division to date, to enable the application for letters of credit to be framed. The present attempt at extensive tabulation is unnecessary.

Resolution.—The Government of India is pleased to concur in the suggestion to record sanctions to estimates and allotments of funds in separate registers, and to direct the substitution of the accompanying forms for the present register in form No. 41 C.

For information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh and the Punjab.

The Director-General of Telegraphs.
