Endorsement in the Educational Department of 28th
October 1889, on letter from the Director of Public In-
struction No. 8983 of 18th October 1889.

While approving
generally of the revised
syllabuses, the Chief En-
gineer has the honor to
observe, that they are so
very comprehensive, that
it is doubtful, whether the
class of students for whom
they are intended, can sa-
tisfactorily assimilate all
that they are taught; and
further, that with so wide
a scope given to the Examiners,
it must be expected that
there will be a large number
of failures at every exam-
ination unless a very
superior class of men find
it

unworthwhile to enter
the College.
