There are three letters from Mr.
Melville in the Co. in question. Two
of them are of no importance being
merely covering letters, but is there
which are addressed to the Secy to
Govt. P.W.D. There is no objection
to their being produced. The third
letter is addressed to the Consulting
Engineer for Railways it is this
no doubt which the plaintiffs
want. It was within the descrip-
tion given in the original applica-
tion for copies, and it should not
in my opinion be produced.

The three documents — in original
and in print — should be sent to
the Court in the custody of the clerk.
That addressed to the Consulting
Engineer should be in a sealed cover
& the clerk should be provided with
a Co. signed by a Secy to Govt. stating
that under Sec 123 ~~of the~~ of the
Evidence Act, the Government
decline to allow it to be put in
evidence or evidence of its contents
to be given.
