11TH NOVEMBER 1889, No. 3198 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following:—

Circular from the Government of India, Public Works Department (Account—General), dated Simla, 22nd October 1889, No. 13, Public Works.

Powers of Officers in charge of Executive Divisions.

Read—

Paragraph 433 of the report by the Committee on Public Works Accounts.

SUBJECT No. XXVI.

Powers of Divisional and Sub-divisional Officers.

433. The Committee thinks that it should be within the discretion of Local Governments and Administrations to confer increased powers, as below, upon selected officers in charge of executive divisions:—

- (a) To sanction requisitions and petty estimates up to a limit of Rs. 500.
- (b) To write off losses of stock up to a limit of Rs. 500.
- (c) To purchase English stores in India for sanctioned works up to a limit of Rs. 1,000 for each work.
- (d) To purchase from a Government workshop materials or manufactures to any extent for which there is provision in a sanctioned estimate and an appropriation for the year.
- (e) To accept contracts for sanctioned works up to a limit of Rs. 5,000; the limit of report to the Superintending Engineer being raised to Rs. 2,000.
- (f) To adjust the balances of manufacture accounts, if the rates of out-turn be not increased by more than 10 per cent. over the estimate or the current stock rates. It has to be remembered that articles are manufactured solely for the works and that the works must consequently bear the whole cost of the manufactures. The outlay is passed through suspense, merely that the Executive officers may watch the economy of their manufactures.

Resolution.—The Government of India is not able to reconsider at present the question raised in clause (c) of paragraph 433 regarding the limit up to which English stores may be purchased in India, but is pleased to accept the other recommendations made by the Committee in the above paragraph.

2. Local Governments and Administrations are hereby authorized to confer increased powers at their discretion, to the extent noted, upon selected officers in charge of executive divisions.

3. These orders are applicable to the Buildings and Roads, Irrigation and Railway Construction Branches of the Department.

and the Punjab.
