Royal Artillery Barracks, Cannanore.

Stating that Government will defer passing orders on the application for the allotment of the two blocks of vacant —for use as a Deputy Tahsildar's cutcherry and Municipal civil hospital pending the receipt of the Collector's report called for in the Government order quoted.

8. As it further appears that contagious and infectious diseases are not treated in the hospital, the objection raised by the Joint Magistrate disappears, and I have the honor therefore, under the instructions of Mr. Winterbotham, to request that the two blocks may be allotted as follows :—

Block A—For the use of the Deputy Tahsildar and Town Sub-Magistrate.
Block B—For the use of the Municipal civil hospital.

I observe that, under G.O., dated 26th September 1888, No. 3037 W., Public Works, the Superintending Engineer, IV Circle, has been authorized to arrange for the buildings in the Royal Artillery barracks being utilized to the best advantage.

9. I beg to submit herewith a copy of the Civil Surgeon's letter forwarded to me by the Chairman for submission to Government in continuation of his letter to them of the 22nd May 1889, No. 142.

From Surgeon J. KERNAN, I.M.S., Officiating Civil Surgeon, to the Chairman, Municipal Council, Cannanore, dated Cannanore, 29th July 1889, No. 201.

With reference to your letter, No. 259, dated 9th July 1889, I have the honor to state that the Sub-Collector informs me that he only requires one-half of Artillery barracks for the Sub-Magistrate's Court, and that he objected to the other half being occupied as a civil hospital on the ground that there would be danger of spreading contagious and infectious diseases far and wide, as people attending the court would be liable to catch them from the hospital. When I pointed out to him that contagious diseases were not treated in the civil hospital and that there were sheds for such cases at Thyi, he said that he had no objection to having the hospital next door to the court, and advised me to represent this at once.

Resolution—dated 30th August 1889, Mis. No. 5292.

Submitted for the orders of Government.

2. For the reasons stated by the Collector, the Board support his proposals that blocks A and B of the Artillery barracks be placed at the disposal of the Revenue and Municipal Departments for use as a Deputy Tahsildar's office and Municipal civil hospital, respectively.

From Colonel T. K. GUTHRIE, Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 11th November 1889, No. 5964.

On receipt of G.O., dated 30th September 1889, No. 649 (Financial), I made a further reference to the Superintendent of Police, Malabar, in regard to the Artillery hospital buildings at Cannanore.

2. I now have the honor to forward, for the information of Government, Mr. Egan's reply, from which it will be apparent that the inaccuracy complained of by Government in paragraph 9 of their order does not rest upon this department.

ENCLOSURE.

From G. T. EGAN, Esq., Superintendent of Police, Malabar, to the Assistant Inspector-General of Police, Madras, dated Cannanore, 1st November 1889, No. 1031.

With reference to your endorsement, No. 5105, on G.O., dated 30th September 1889, No. 649, Financial, I have the honor to state that the Artillery hospital at Cannanore was never taken over by the Police.

2. The Sub-divisional officer at Cannanore asked the Inspector of Cannanore to receive charge, but as no orders were given him, he did not do so ; the Assistant Superintendent of Police was requested by me, and he inspected the building and reported on it as being quite unsuited for a Police station, and application was made for the canteen and guard-room which we now occupy (*Vide* G.O., dated 17th April 1889, No. 689).

3. I have not through my subordinates or personally received charge of the building, and certainly no written acknowledgment of having done so was even granted to the Public Works Department.

4. The Executive Engineer, West Coast Division, probably considered the police had possession of the building from the fact of the Assistant Superintendent and Inspector having inspected it ; for he wrote to me to surrender the building in May, when I replied " I was not aware of its ever having been taken over by the police, but had issued orders to the Inspector of Police to hand over if in charge." The Inspector of Police in answer to an order sent to him denied ever having taken over the building, and there is no trace in the Assistant Superintendent's office of that officer ever having done so.

ORDER—dated 20th November 1889, No. 814, Financial.

The Government will defer passing orders until the report from the Collector, called for in G.O., dated 30th September 1889, No. 649, has been received.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

Proceedings of the Board of Revenue (Land Revenue), dated 30th August 1889, Mis. No. 5292.

Read—the following letter from J. TWIGG, Esq., Acting Sub-Collector in charge, Malabar, to the Secretary to the Commissioners of Land Revenue, dated Calicut, 24th August 1889, No. 2698-P :—

I have the honor to submit herewith a letter addressed to the Chief Secretary to Government in the Local and Municipal Department relative to some of the buildings in the Royal Artillery barracks at Cannanore being placed at the disposal of the Revenue Department for the use of the Deputy Tahsildar's cutcherry at Cannanore, and of the Municipal Council for purposes of the civil hospital.

2. Application was first made by the Chairman for a block of the Artillery buildings, and when the question was pending before Government, the Sub-Collector suggested that advantage should be taken of the opportunity to provide proper quarters for the Deputy Tahsildar, who holds his office in an incommodious rented building. The Collector accordingly wrote to Government on the 5th July last, and requested that no orders might be passed on the question until they heard again from him. The enclosed letter is the further communication promised, and I beg that the Board will be pleased to transmit it to Government with their recommendation and support.

ENCLOSURES.

From J. TWIGG, Esq., Acting Sub-Collector in charge, Malabar, to the Chief Secretary to Government, dated Calicut, 24th August 1889, No. 2699-P.

With reference to paragraph 3 of my letter, No. 191, of the 5th July last, I have the honor to submit proposals for the allotment of the two blocks of vacant Artillery buildings at Cannanore.

2. The enclosed rough sketch, though not drawn to scale (the distance from A to B being 25 yards and from E to A nearly half a mile), will serve to illustrate the present proposals.

3. The buildings marked A and B are the two main blocks of the Artillery barracks. The Municipal Council has applied for block A, which was till 31st May last in the occupation of the Judicial Department, to be used as a hospital.

4. The Deputy Tahsildar and Sub-Magistrate of Cannanore holds his office in a building in the old town (marked E-a on the sketch) rented at Rs. 10 a month. The Sea Customs Superintendent has his office in a contiguous building (E), and the situation of the two offices in the same premises is inconvenient to both alike.

5. The Cantonment Magistrate's Court was recently abolished, and the whole town is now under a single Sub-Magistrate.

6. Blocks C and D are to be used as a Police station.

7. In view of the foregoing circumstances and of the advantage of having the single Sub-Magistrate's Court placed in a more central position than at present, the Joint Magistrate suggests that block A should be made available for the use of the Sub-Magistrate. He at first objected to making over either of the two blocks (A and B) to the Municipality to be used as a hospital, on the ground that there would be danger of spreading disease if court, police station and hospital were situated so close together, and suggested that the old female hospital (G) would answer the purpose of the Municipal Council. The Chairman, having been asked for an expression of his opinion on this suggestion, informs me that the Civil Surgeon, Dr. Kernan, considers the building unsuited in design for a hospital, and requests that, in the event of block A being required by the Revenue Department for the use of the Deputy Tahsildar, block B may be placed at his disposal.
