In reply to your endorsement No 6887/11 1-11-89. I have the honor to report thus:-

The Superintendent of Police still occupies the Building formerly used for Sergeants Quarters -

The Building has a small detached kitchen & two very small detached privies - The latter are useless -

The Building is worth Rs 3150 - kitchens included -

2. It is not known when it was built - There are no servants offices & no stables and for the accommodation it at present affords Rs 12 would be a fair rent, calculating rent according to latest orders it would be as follows:-

Value of the Building	3140
Cost of establishment Tools & Plant @ 20 pc	628
	3768

4 per cent interest on Capital outlay. 150.

Average cost of repairs during last 8 years ——— 23

Establishment charges on 23 ——— 5.

yearly Rental ——— 178

Monthly Rental ——— 15.

3. I enclose the plans of the building for perusal pencilled yourself that the accommodation is very meagre consisting of one fairly large room for living in & 2 small bed rooms. It has no basement to speak of, & faces due East and having only a verandah is intolerably hot and exposed to the glare —

No 742 TN.

Copy submitted together with the plan, to the Chief Engineer, P.W.D. with reference to his No 4926C of 29th October/89.

2. The undersigned agrees with the Executive Engineer in considering that Rupees 12 would be a fair

States that Rs 12 would be a fair rate of rent to charge for the buildings at Palamcottah occupied by the Supdt of Police in its present state —

No: 3507 W d/9 Dec. 89

HCl
Above

In his letter recorded with Gr. C. No: 2766 W d/2nd October 1889 the Supt of Police Palamcottah, appealed against the rent of his quarters being increased from Rs 15 to Rs 25 per mensem. From the present report it appears that the rent need not be raised beyond Rs 15 according to rule. This rate will therefore be adhered to. The Govt sees no reason to recommend a reduction of the rent to Rs 12 per mensem.
