Letter from J. C. Larminie Esqr. Executive Engineer, Buckingham Canal Division, to the Supdg. Engineer II Circle, dated Madras 18th November 1889 No. 1442.

With reference to your Endorsement No. 266 B.C. of 12th Instant on G. O. No. 3166 W. dated 7th Idem, I have the honor to reply as follows.

× Enclosed for perusal & return.

I ×Compensation Bill was received in September 1887 with Collector's No. 4179 of 12th Idem for verification and return.

II It was referred to Sub-Divl. Officer, Pulicat, for verification in the same month.

III. The Sub-Division Officer returned it with his No. 1291 of 9th January 1888 (herein enclosed for perusal and return) and recommended the revision of the Schedule as more land was taken up than necessary.

IV Mr Vincent thought the revision was unnecessary (vide his

his Endorsement on Sub-Divl Officer's letter) as the area of land not required was small and hence returned the Bill to the Collector with his No 1625 of 23-1-88.

V. Collector's reference dated 17th April 1889 (also enclosed) was received on the 19th May 89, and the revised schedule sent × to him in August last as already replied. Consequently the required area has been definitely settled vide my No. 1310 of 19th ultimo.

× enclosed.
