Letter from H. H. O'Connell Esq.,
Executive Engineer, Nellore Division,
to the Suptg. Engineer 2nd Circle,
dated Nellore 28th October 1889,
No. 455.

P. W. D. Code para 1301 Note 2 says
that "It is not necessary that every
"work should be personally inspected
"by the Executive Engineer of the Division
"before the completion report is
"submitted, but the certificate at
"foot of the completion report will,
"in every case, be signed by some
"Officer of not lower rank than Overseer".

2. I have the honor to request
that you will be pleased to let
me know whether the certificates,
at foot of completion reports,
signed by Anicut and Delta
Superintendents, can be accepted
so long as they are impress holders
and do the duties of Overseers.

3. I think there need be no
objection as the responsibilities
of these Superintendents are,
in

in every respect, equal to those
of Upper Subordinates (Overseers).
