SIR,

I have the honor to inform you that G. O. No 2812 dated the 8th October /89 has been communicated to the Division officers in the circle & they have been requested to submit at once applications for modifications of allotments. The Godavari Eastern, Central & Vizagapatam Division officers only have sent their applications & reminders have been sent to the other 24 officers. The modifications proposed by the Vizagapatam Division officer are shown below & I request that sanction of Govt may be obtained to the same.

Provincial Civil Buildings Original works Constructing a 3 rd class Tahsildar's office at Salur	6,745	2,000	---	The Division Officer reports that some cracks have appeared in the walls & Major Campbell ordered that the work should be stopped till the Supt Engr has inspected the work in December or January. The D.O. states that the whole grant cannot be spent in the last quarter, hence the surrender. I propose to inspect the work in next month.
Deputy Tahsildar's Office & Subjail at Pottinghy.	5,134	2,000	---	The Executive Engr says that owing to the difficulty in procuring labor and materials & to the fact that labor is also required for bridges to be built in the neighborhood - this surrender is made.
