Sub Divisional office
Coimbatore 5th September 1889

From

W. V. Baker Esq. 3525
Assistant Engineer
Coimbatore Sub Division

To.

The Executive Engineer
Coimbatore Division

Sir,

Dis List No.
8 of 1889 from
Coimbatore
Division
Do- No 46 of
889 Trichino
ally Division

In acknowledging the receipt of the two lists of Disallowances noted in the margin in connection with my salary and travelling allowance for July 1889, I have the honor to point out for the information of the Examiner of P. W. Accounts that as I was proceeding on short leave from which there were no reason to consider I would not rejoin the Trichinopolly Division, I did not give over complete charge of the north Sub-division, Trichinopoly, but

only

only as required in paras 380-82 of the P. W. code.

2 On being transferred to the Coimbatore Division, on the expiration of my sick leave, I therefore considered it my duty so as to avoid being found fault with after joining my new District to first proceed to Trichinopolly, and hand over regular charge as required in such cases by the Code rules.

3 My leave was not a long one, and therefore section 165 (12) of the Civil Leave Code quoted by the Examiner, P. W. Accounts does not, I think apply to me.

4. As I am still of opinion that I acted correctly in proceeding to Trichinopolly before joining the Coimbatore District, if the Examiner P. W. Accounts after perusing my explanation, is not prepared to accept the same as satisfactory, I would beg that the case be submitted to Government for orders.

I have &ca

Salary and travelling allowance for July /89

Submits explanation from Mr Baker in respect to ——— for orders of Government.

No 486
EW

Forwarded to the Chief Engineer for favor of orders —

Mr Baker seems to have acted properly as he did not hand over the charge of the North Sub Dn Trichinopoly in a complete shape under the authority conveyed in para 399 of the PW Code when he availed himself of the Sick leave from that Sub Division he had no other alternative than to proceed to Trichinopoly to take over the final charge of the Sub Division before assuming his new charge in the Coimbatore Dn to which he was transferred while on leave

Note with reference to the A. M's remark under the draft order on current No 11367

Mr Baker means that he handed over charge of his Subdivision only to the extent provided for in Code para 380 and 382 and that full transfer of charge in accordance with paras 386 and 387 was not effected.

Such partial transfer is authorised by Code para 399 when absence is likely to be only for a short period.

Under para 397 the relief of Subdivisional officers is carried out in the same manner as that of Executive Engineers.

To W.

Salary and travelling allowance will be admitted if Mr. Baker's rejoining at Trichinopoly is sanctioned by Government; but according to Civil service Regulations, Article 259, he should have joined at Coimbatore within his leave, which was technically+ "long leave", vide Civil Service Regulations Article 369, where leave on medical certificate is classed under "long leave".

+ Technically it was no doubt long leave, but in reality it was only for 3 months.

The Govt agrees with the remarks in the Supdg Engineer's endorsement, and believes that, Mr Baker acted in good faith in returning to Trichinopoly to hand over charge. The journey is therefore sanctioned.

What are the correct numbers of the Code? 380 + 382 quoted seem wrong.
