From the Secretary to the Government of India, Public Works Department, to the Chief
Commissioner of Burma, dated Simla, 15th October 1889, No. 2945-G.

With reference to entry No. $\frac{217-218}{121}$ in your Public Works Department Proceedings for the
month of May 1889, Establishment, I am directed to state that the date of appointment of
Royal Engineer Officers to the Public Works or Military Works Department is regulated by the
date on which they are first attached either permanently or temporarily to either department.
That is to say, the fact of their having been only temporarily attached in the first instance does
not affect the date of their appointment.

2. Lieutenant Kirby's departmental service has accordingly been shown in the Public
Works Department Classified List as commencing from March 1888, when he first joined the
Military Works Department.

To the Secretary to the Government of Madras,

Letter from the Government of India stating that the ruling regarding the date of appointment of — to the Public Works or Military Department does not affect Subalterns of Royal Engineers joining the Public Works Department, communicated to the Examiner, Public Works Accounts.

READ—the following paper:—

Resolution of the Government of India, Public Works Department (General) dated Calcutta, 14th March 1888, No. 613 G.

Date of commencement of Service in the Public Works Department of Subalterns of Royal Engineers appointed to the Department since 1872.

Despatch No. 34 P.W., dated 23rd September 1886, from the Secretary of State for India.
Despatch No. 66 P.W., dated 31st October 1887, to the Secretary of State for India.

Read also—

Despatch No. 2 P.W., dated 19th January 1888, from the Secretary of State for India.

Resolution—

The present system of grading Subalterns of Royal Engineers on their first appointment to the Public Works Department with Civil Engineers has been under the consideration of the Secretary of State and the Government of India, in connection with the question of the establishment of Royal Engineers to be retained in India.

2. The conclusion arrived at is, that under the existing system young Royal Engineer officers, whose service in the department commences from the date on which they first join, are placed at a disadvantage in comparison with the Engineers appointed from the Royal Indian Engineering College at Coopers Hill, who count service in the department from the date on which they leave college, to go through a course of practical training, either in England or India.

3. After a full consideration of the relative ages at which the students of the Royal Indian Engineering College obtain their appointments and the Royal Engineers obtain their first commissions, it is considered that the two classes would be placed on an equality by allowing Royal Engineers who enter the department as Subalterns after more than two-and-a-half years' military service, to count their service in the department as commencing two-and-a-half years after the date of their first commission.

4. His Excellency the Governor-General in Council is therefore pleased to rule, with the concurrence of the Secretary of State, that Subalterns of Royal Engineers, appointed to the department subsequent to the year 1872, when Engineers from the Royal Indian Engineering College first entered the department, shall count their departmental service as commencing two-and-a-half years after date of first commission, unless the actual date at which they joined was earlier; provided that no officer shall add more than one year to his actual service in the department under this rule.

5. In publishing this decision, the Governor-General in Council desires it shall be recognised in the department generally that departmental seniority gives no absolute claim to promotion, since in the words of the Secretary of State's despatch of 19th January 1888, the principle on which advancement in the department is based, is selection for merit, the influence of seniority alone being of secondary importance in most cases.

Order—

Sir, In acknowledging the receipt of No. 2946. G. dated 15th Oct: 1889, I am directed to enquire whether the Govt of Madras is correct in assuming that the ruling conveyed therein does not affect the concession granted to Subalterns of Royal Engineers joining the P. W. Dept. by para: 4 of Resolution No. 613 G. 8 14th March 1888.

Sir,

Perhaps it would be well to have this point definitely settled - as no refce is made in the current order disposal to the previous Resolution.

In order.
