Extract from the Proceedings of the Government of India in the Home Department (Public)—under date Simla, the 14th August 1889.

READ—

Home Department Resolution No. $\frac{31}{1217-42}$, dated the 11th July 1885.

RESOLUTION.

IN the Resolution read in the preamble it has been laid down that no officer of Government shall ask or accept pecuniary aid or subscriptions from Native Chiefs or officials of Native States in pursuance of public objects, except with the previous sanction of the Local Government to which he may be subordinate.

2. An instance has recently come to the notice of the Government of India in which a public servant accepted a donation from a Native Chief towards a religious object in which he was specially interested. In the Resolution of 11th July 1885, applications for contributions to private or semi-public objects are not expressly condemned, but the objections upon which those orders are based apply with even greater force to such donations. The Governor General in Council is therefore pleased to extend the orders contained in Resolution No. $\frac{31}{1217-42}$ (Public), dated 11th July 1885, to applications for, or acceptance of, assistance towards private or semi-public objects.

9. Notification by the Home Department, No. 181, dated the 26th January 1855.

WITH reference to the Notification from the Military Department No. 100 of 1855, the following public letter No. 18 of 1854, dated 22nd March, from the Honourable the Court of Directors, is published for general information.

No. 18 of 1854.

OUR GOVERNOR GENERAL OF INDIA IN COUNCIL.

1. IN our Despatch of this date No. 6, to the Government of Bombay, we have given our views on a question submitted by that Government, *viz.*:—

"Whether a public declaration of Insolvency on the part of our Civil Servants is to be regarded as a disqualification for office, or to be visited by Government with any marks of its disapprobation."

2. In reply to this question we have said: "We have no hesitation in giving it as our decision that such a declaration of insolvency as is involved in a resort to the Insolvent Debtors Court for relief is quite incompatible with the maintenance of that high character for independence, which we regard as essential in those filling offices of trust and authority in our service. We direct therefore that, in the event of any one of our Civil Servants at any time availing himself of the means afforded by the Court to obtain relief from his liabilities, he be suspended from public employment, and his case forthwith reported to us for final orders. You will give public notification to this effect, in such way as you may think proper."

3. You will consider these views as of general application under all our Governments.
