GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From Lieutenant-Colonel S. C. CLARKE, R.E., General Superintendent, Public Works Stores, &c., to the Superintending Engineer, V Circle, dated Madras, 1st August 1889, No. 480 S.

I have the honor to submit the enclosed application for a reorganisation of the Public Works Stores Office department, which I would beg to recommend should come into force on the departure of the present Storekeeper, Mr. J. Gray, who is about to take his pension on the 1st of October 1889, and a saving of Rs. 120 or more has been effected in the first item of salary.

2. I trust you will support my recommendation for the increase of salaries of the Assistant Storekeeper and clerks, whose work is much more than that of the ordinary Office clerks.

3. I have again asked for an extra clerk to assist the accountant, and request that, as the proposed increase of salaries is much less than the saving effected, there may be no objection made to my appointing a third clerk.

No. 3120.

Forwarded to the Chief Engineer, Public Works Department, with the recommendations that the proposals in regard to the Public Works Stores establishment, as shown by the enclosed statement, may be sanctioned to have effect from date of Mr. Gray's retirement.

2. I consider the proposals very reasonable, and I agree with Colonel Clarke as to the duties of the Stores' clerks being much more onerous than those of Office clerks.

(Signed) W. H. BURTON, Colonel, R.E.,
Superintending Engineer, V Circle.

9th August 1889.

Office note from the Examiner, Public Works Accounts, dated Madras, 26th August 1889, No. 1235.

The entries in column "present scale" of the proposal statement have been checked and found correct, with the exception of the following :—

(a) The mean pay of each appointment, instead of the financial value as per Civil Service Regulations, article 164, has been entered in the column "average or fixed" pay.

- (b) The pay of Storekeeper, as sanctioned in G.O., No. 1147 W., dated 14th May 1880, is Rs. 120—8—160 and not Rs. 300 as entered in the proposal statement. Pay at Rs. 300 per mensem is being drawn by Mr. J. Gray, the present Storekeeper, but from G.Os., Nos. 230 W. of 25th January 1884 and 1301 W., dated 23rd May 1884, it will be observed that the rate (Rs. 300 per mensem) of pay drawn by Mr. Gray was sanctioned by the Government of India on purely personal grounds and cannot, therefore, be taken as pay of appointment. The proposals would then result in an increase of Rs. 67½ per mensem in lieu of a saving of Rs. 75 as shown in the proposal statement.

ORDER—dated 11th September 1889, No. 2524 W., Public Works.

It is observed that Mr. Gray's salary was raised to Rs. 300 in 1884 on special grounds. The pay of his appointment will, therefore, on his retirement, be reduced to Rs. 120—8—160 (the amount fixed in 1880), subject to confirmation by the Government of India.

The other increases proposed are also disallowed, there being no case for adding to the cost of the establishment.

LETTER—to the Secretary to the Government of India, Public Works Department, dated Gotacamund, 11th September 1889, No. 2525 W.

In forwarding the accompanying copy of Proceedings, No. 2524 W., dated 11th September 1889, I am directed to request the confirmation of the Government of India to the reduction, with effect from the date of Mr. Gray's retirement, of the salary of his appointment from Rs. 300 to Rs. 120—8—160. The present pay was sanctioned by the Government of India in letter, No. 543 G., dated 6th May 1884, on special grounds, which will, on Mr. Gray's retirement, no longer exist. It is therefore proposed to revert to the scale of pay which was considered sufficient in 1880.
