No. 2915

Kistna District Collector's
Office, Masulipatam
15th May 1889.

FROM,

A. J. Arundel Esquire,

Collector,

Kistna District

TO,

THE SECRETARY

Commissioners of Land
TO THE BOARD OF REVENUE
Madras.

SIR,

As arrangements have been made (G.O.
no. 876, Revenue, dated 19th December 1888) for
building a residence for the Head Assistant
Collector at Bervada, I have now the honor
to request that sanction may be obtained
for building him an office.

2. The present office building lies in
Bervada old town and is cramped and
incommodious. It consists of three rooms,
one of which is occupied by the Head
Assistant while the other two (20' x 15' & 16' x 15'
respectively) are occupied by the office.

*communicated
with Board's
Proceedings
No. 293 miscellaneous
dated 21st January 1889.

There is no retiring room; one portion of the Verandah is built in and used as a records-room, and another similar portion is used for the Municipal Clerks. The compound is used for Municipal carts &c.

3. The new office should be built in the new suburb Buckinghampet, where a site is available not far from the Superintending Engineer's Office. It will be a mile and a half nearer the Head Assistant's new residence. The old building will do well for a Municipal Office, and may eventually be transferred to the Municipality on such terms as Government may approve.

4. A proper office for the Head Assistant Collector has long been a desideratum in Berhampore. In Board's Proceedings No. 2311 dated 14th November 1873, it is entered by the Collector as third in importance in a list of buildings needed in the district.

5. I hope that early orders may be

given so that the office may be begun before the residence is finished.

I have the honor to be,

Sir,
Your most obedient servant,

A. Arnold
Collector.

GOVT. GEN. REG. NO. 2383 OF 1889
LAND REVENUE.

From

Collector, K. D.

To
The Secretary to the Commissioner
of Land Revenue.

Sir Madras.

In reply to Board's Resolution
No. 1618 of 13th June, I have the honor

to forward a plan of the building and
Compound of the Head & Assistant's Collector's

Office for the information of the Board.

2 The building is of the ordinary bungalow type and it would not be easy to add to and improve it in a satisfactory way. I have referred the matter to the Superintending Engineer who

replied (Copy of letter No. 870 K.S. enclosed) that

taking all the circumstances into Consider-
-ation there would be no advantage in
enlarging and extending the present
Cutehury as against your proposal
to build a new one in "Buckinghampett".

3 The Board are aware from
my letter disposed of in Board's Proceedings
Min No 3798 dated 25th June 1897 that on sanitary
and other public grounds it is very desirable
to decentralize from the old town of Bez-
-wada, and to divert as much of the
population as may be, both fixed
and floating, into the healthier suburbs.

The transfer of the Head Assistant
Office
Collector to Buckinghampett the other
side of the Canal will facilitate
this process. An excellent site is
available close to the Superintending
Engineer's

27 18
Engineer's office and to the site of that of
the Executive Engineer

4 The Municipal Council will purchase
the present office at a valuation. It is
quite large enough for their present
purposes. They are greatly in need
of an office and of room for their carts
and stores which are already located
in the Head Assistant Collector's office
Compound.

5 I trust in these circumstances, the
Board will be pleased to approve my
proposal to build a suitable and
commodious office for the Head Assistant
Collector in a better locality. In my previous
letter, I mentioned that this was recognized
as necessary so far back as 1873.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 20th August 1889, No. 4925, Mis.:—

THE HON. J. GROSE, M.A.

Read—the following letter from A. T. ARUNDEL, Esq., Collector of the Kistna District, to the Secretary to the Commissioners of Land Revenue, dated Masulipatam, 15th May 1889, No. 2915:—

As arrangements have been made (G.O., No. 876,* Revenue, dated 19th December 1888) for building a residence for the Head Assistant Collector at Bezvada, I have now the honor to request that sanction may be obtained for building him an office.

5. I hope that early orders may be given so that the office may be begun before the residence is finished.

Reference on the above, dated 13th June 1889.

The Collector is requested to report whether the existing Head Assistant's office cannot be enlarged and improved. He should forward a plan of the building and compound for the Board's information.

Read—the following letter from A. T. ARUNDEL, Esq., Collector of the Kistna District, to the Secretary to the Commissioners of Land Revenue, dated Masulipatam, 22nd July 1889, No. 4504:—

In reply to Board's Reference No. 1618, dated 13th June, I have the honor to forward a plan of the building and compound of the Head Assistant Collector's office for the information of the Board.

2. The building is of the ordinary tiled bungalow type and it would not be easy to add to and improve it in a satisfactory way. I have referred the matter to the Superintending Engineer who replies (copy of letter, No. 870-K.S., dated 15th July 1889, enclosed) "that taking all the circumstances into consideration there would be no advantage in enlarging and extending the present cutcherry as against your proposal to build a new one in Buckinghampet."

ENCLOSURE.

From J. HANNAN, Esq., Superintending Engineer, II Circle, to the Collector of Kistna, dated Bezvada, 15th July 1889, No. 870-K.S.

With reference to your letter No. 186, dated 6th instant, I have the honor to state that, taking all the circumstances into consideration, there would be no advantage in enlarging and extending the present cutcherry as against your proposal to build a new one in Buckinghampet.

Resolution—dated 20th August 1889, No. 4925, Mis.

Submitted for the orders of Government.

2. The Collector of Kistna reports that a new office building is required for his Head Assistant: the reasons given are that the present office is cramped and incommodious; that being of the ordinary tiled bungalow type, it would not be easy to add to and improve it in a satisfactory way; that the Superintending Engineer who was consulted on the matter is of the same opinion; and that it is further desirable on sanitary and other public grounds (Collector's letter in Board's Proceedings, dated 25th June 1889, No. 3798, Mis.) to move the office from the old town of Bezvada into the healthier suburbs.

3. The Board support the Collector's proposal and request that orders may be issued for the preparation of a plan and estimate for a new office. It appears an excellent site is available at Buckinghampet close to the office of the Superintending Engineer.

4. As regards the present building, the Collector suggests that it may be sold to the Municipal Council at a valuation.

Copy to the Collector of Kistna.

ORDER—dated 26th November 1889, No. 950, Revenue:

Miscellaneous.

The construction of a new office for the Head Assistant Collector at Bezvada is approved.

2. Orders will issue in the Public Works Department for the preparation of a plan and estimate.

3. As regards the proposal to make over the present building to the Municipal Council, the Collector will report the terms.
