GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
General Account.

READ—the following papers:—

From Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 28th October 1889, No. 4949.

I have the honor to submit for sanction an estimate of Rs. 1,800 for adjustment of loss by sale of surplus stores and value of stores sold to other division and other departments under Code, para. 1880, and another estimate of Rs. 3,231 for tools and plant indented on England and purchased in India to meet the demands of the division.

2. The amount of the first estimate is below the limit of my power of sanction and under Provincial Civil Buildings, Minor Original Works, but the loss by sale of stores requires sanction of Government. It includes an item of Rs. 765 sanctioned in G.O., No. 1613 W., dated 19th June 1889.

Office note from the Examiner, Public Works Accounts, dated 28th November 1889, No. 1703.

The estimate for Rs. 3,231 for tools and plant indented for from England and for English stores purchased in India may be sanctioned by Government.

2. With reference to the other estimate for Rs. 1,800, I notice that it includes two distinct kinds of items, viz., (*a*) loss by sales of surplus stores and (*b*) value of stores transferred without charge to other divisions and departments under Public Works Department Code, para. 1880.

3. I beg to point out that (*b*) is not a loss requiring the sanction of Government under Public Works Department Code, para. 1973. Such transfers may apparently, under Public Works Department Code, para. 1880, be made by the Superintendent, Public Works Stores, and each such transfer entered in the return of sanctioned estimates, with full particulars, as "Minor Works" expenditure.

4. These transfers should not be mixed up with (*a*) loss by sale of surplus stock mentioned in Code, para. 1973. Separate and distinct estimates should be framed for the latter and submitted by the Superintendent, when necessary, for the sanction of competent authority.

ORDER—dated 13th December 1889, No. 3563 W., Public Works.

The estimate, amounting to Rs. 3,231, for tools and plant and stores received from England and purchased in India for the Public Works Stores division, is sanctioned.

2. With reference to the estimate of Rs. 1,800, the attention of the Superintending Engineer, V Circle, is drawn to paras. 2 and 3 of the Examiner's office note, in

view to a separate estimate for "loss by sale of surplus stores" being submitted through the Examiner of Public Works Accounts in accordance with para. 1973 of the Public Works Code.

3. The sanction accorded in para. 1 of these proceedings has been registered as Provincial No. 94 W. of 1889-90, and classified as "Tools and Plant."
