To The Chief Engineer,
P.W. Department.

Sir,

I have the honor to request
you will be good enough to obtain
the sanction of Government under
article 208 of the Civil Service
Regulations to the grant of pay
to Clerk M. Balasundram Pillay
during the time he was on transit
from No II Division to No I.

2. This clerk was transferred
under my orders from No II Punyar
Division to No I Punyar Division
as cashier.

3. As transfers of clerks &c. from
No I to No II Punyar Division and

Vice Ver.

vice versa, are frequently made for
the benefit of the public service
I would suggest that a general
sanction may be given to the
grant of pay during their transit
in such cases, so as to save the
labour and delay of a separate
reference on each occasion.

I have the honor to be,

Sir,

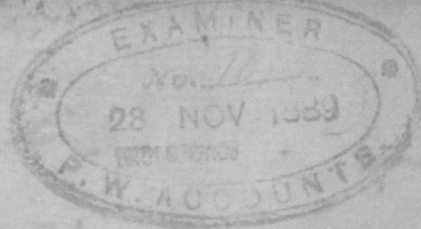

Your most obt. servt,

Transit pay will be passed
if sanctioned by Government.

2. Article 208 (Civil Service Regulations) appears to require specific sanction of Government in each case, and unless the rule is modified by the Government of India, any general sanction would apparently be irregular. The Government of India might perhaps be asked to rule that for the purposes of Civil Service Regulations Article 208, a Superintending Engineer's circle should be considered as one office.

Examiner P.W. Accts.

Sir

Sir,

I am directed to request that the Govt of India may be moved to rule that a Suptg Engineer's Circle may be regarded as one office for the purposes of article 208 Civil Service Regs.

Temporary or officiating clerks and other subordinates are frequently transferred from one division to another within a Circle under the orders of the Suptg Engineer, and under present rules the Examiner requires the sanction of Government in each case to the grant of pay during transit to the individual so transferred. If the request now made be acceded to, an

There is nothing about this in the article quoted. What is meant? I don't see how a general sanction can be given.

It means that inasmuch as all subordinate charges are comprised in one Circle, and as the officer in charge of that Circle moves subordinates about in the interests of the Govt. service within that Circle, the pay of those subordinates during transit should be passed without a special Government sanction in each such case.

Such a declaration would not be given under the article. I think before I can give it I must get the Govt of India to abolish the control which the article prescribes.
