18TH DECEMBER 1889, No. 3591 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Civil Works.
Account.

READ—the following paper :—

From W. HUGHES, Esq., Officiating Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 19th November 1889, No. 1861 T.J.

With reference to G.O., No. 3195 W. of 8th November 1889, sanctioning contributions from Local Funds for certain works in the Tanjore district, I have the honor to state that the sum of Rs. 620 allotted for "Diversion of road No. 1 in 6th mile of the Vennár left bank at Olimathi limits" is not now required, as the original proposal of diverting the road at Olimathi limits has since been modified, and the Local Fund contribution is not consequently required. The sum may therefore be surrendered to the Local Fund Board.

2. As regards the road along the left bank of the Korayar from road No. 23 to Mulliar head, referred to in para. 3 of the Government Order, I beg to state that the sum of Rs. 190 allotted in the final issue of the budget is for the usual or annual maintenance of the road, while the sum of Rs. 250, applied for in this office No. 280 T.J. of 10th May 1889, is intended for *special* repairs or for sanding the road. This has nothing whatever to do with the usual maintenance grant, Rs. 60 having been granted in the Government Order under reference against Rs. 250 applied for for the special repair, the balance Rs. 190 remains to be allotted.

ORDER—dated 18th December 1889, No. 3591 W., Public Works.

In the circumstances explained by the Superintending Engineer the sum of Rs. 620 allotted in G.O.,* No. 2474 L. Mis., dated 24th October 1889, for the "Diversion of road No. 1 in the 66th mile of the Vennár left bank at Olimathi limits" will be resumed and replaced at the disposal of the Local and Municipal Department.

2. With reference to para. 2 of G.O., No. 2474 L. Mis., dated 24th October 1889, the attention of the Local and Municipal Department will be invited to para. 2 of the Superintending Engineer's letter, and that department will be requested to place a sum of Rs. 190 at the disposal of the Public Works Department.
