GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezvada, 23rd March 1888, No. 2178 K.S.:—

I have the honor to forward herewith applications from the clerks of my office as well as those of the Kistna Eastern division for advances of six months' pay to each of them for building houses on sites already secured by them in Buckinghampetah, Bezvada, *vide* Appendix K, Public Works Code, para. 454, Rule VII; and as they agree to the conditions therein laid down as regards the purpose for which the advance is made, recovery of same, &c., I request that you will be so good, if you think well to do so, to recommend the advances being sanctioned.

2. I have no reason to think that the applications now made are not *bona fide*, but if all or any of the clerks were transferred to another station, it is not clear that their successors will benefit by these houses. They may either not build them at all, or having built them, will dispose of them to the highest bidder, and the new clerks will have the same grounds for demanding advances for a similar purpose.

3. The clerks in their petitions do not show that houses will not be built by private enterprise.

4. I am unable to recommend the advances, but consider it right to lay the matter before you.

Office Note from the Examiner, Public Works Accounts, dated 13th April 1888, No. 1339.

ORDER—dated 2nd May 1888, No. 1282 W., Public Works.

As it is desirable that good houses should be built on the new site near the office and suitable accommodation cannot be otherwise provided, the Government sanction an advance of six months' pay to the clerks in question on the conditions laid down in Appendix K to the Public Works Code.

OFFICE NOTE No. 405

To

W.

The Executive Engineer Kistna Eastern Division has sent to me from time to time for safe custody eight mortgage bonds executed by clerks of his division to whom advances have been made for the purpose of building houses in accordance with G.O. No. I282 W. dated 2nd. May 1888. These mortgage bonds were in each case accompanied by the sale certificate which is the evidence of the mortgagor's title to the land mortgaged, and the Executive Engineer now sends me an extract from a notification in the Kistna District Gazette dated 2nd. February 1889 (copy attached) and requests that the original puttahs — referring no doubt to the sale certificates — may be returned to him.

2. I therefore solicit orders of Government on two points, namely (a) whether mortgage bonds deposited

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following proceedings of the Board of Revenue (Land Revenue) dated 5th Oct. 1889. N^o 5997 Im.

Read endorsement of the Secretary to Government, R.D. dated 24th April 1889. N^o 2580 on that of the Joint Secretary to Government P.W.D. dated 3rd April 1889. Forwarded to the Collector of Krishna who is requested to report on para 2 of the Government Indt.

Read also the following letter from the Collector of Krishna dated 24th August 1889. N^o 5361. 9

In reply to Board's Proceedings N^o 874 dated 13th August I have the honor to inform you that

sale deeds originally issued, and
that the description of the
land therein was indefinite,
the Head Assistant Collector
published a notice in the
District Gazette of the 22nd
February last, informing the
purchasers of building sites
at Buckingham that
revised forms were under
preparation and intimating
that no claims based on the
original sale certificates
~~and~~ would be considered after
three months from the date of
the notice. The Examiner having
been asked to return the sale
deeds forwarded to him for safe
custody with the mortgage
deeds, he asks whether they
should be returned annually
for revision. The Board observe
that what appears from the
Head

3602
Head Assistant Collector's notice
and from the Collector's report
to have been done, is, to cancel the
original sale certificates which
should be returned, and to issue
revised ones in their place. There
will therefore be no necessity for
any revision annually.

Read also Office Note
of the Examiner of Public Works
Accounts, dated 8th October
1889 No. $\frac{405}{2}$, requesting to state
whether any orders have been
