READ—the following:—

Proceedings of the Board of Revenue (Land Revenue), dated 8th November 1889, Mis. No. 6828.

MR. H. W. BLISS.

Read—the following letter from G. W. FAWCETT, Esq., Acting Collector of Trichinopoly, to the Secretary, to the Commissioners of Land Revenue, dated 30th October 1889, No. 456/4:—

With reference to G.O., No. 100, dated 18th February 1889, communicated with Board's Proceedings, No. 1352, dated 5th March last, I have the honor to forward herewith a revised estimate for Rs. 19,700 for the conversion of the Artillery barracks into accommodation for my office and for the offices of the Superintendent of Police and the District Forest-officer.

2. I have examined the buildings in company with the Superintending Engineer, and the alterations now proposed have my entire approval. The Superintendent of Police also has certified his approval of the part that concerns his office.

3. The modifications with regard to the treasury sanctioned in the Government Order above quoted involve an additional expenditure of Rs. 4,307. The Press office will be put in the recreation-room instead of in the school-room in the western range, which has been abandoned as entirely worthless. This will cost Rs. 5,990. The rafters in the recreation-room, all of either junglewood or cocoanut tree, are altogether unsound and have to be replaced by teak rafters. The other alterations proposed are explained in the report accompanying the estimate.

4. I request that the Board will be pleased to obtain the early sanction of Government to the revised estimate. The Superintending Engineer has authorised the collection of materials in anticipation of sanction, and the work is in progress.

Resolution—dated 8th November 1889, Mis. No. 6828.

The revised estimate for Rs. 19,700 for converting the Artillery barracks at Trichinopoly into offices for the Collector, the Superintendent of Police, and the District Forest-officer, is submitted for the early sanction of Government.

2. The revised estimate exceeds the original by Rs. 14,400, and the necessity for the increase is fully explained in the reports of the Superintending and Executive Engineers accompanying. The increase is stated to be chiefly due to the further

alterations at an additional cost of Rs. 4,307 now proposed to the gun-shed to convert it into a treasury room and an office for the accountants, and to a new provision of Rs. 8,690 now made for executing repairs to the recreation-room and the Sergeants' quarters to adapt them respectively for a Press office and an office for the Reserve Police Inspector, &c.

NOTE OF REMARKS.

The revised Est.
under review amounting
to Rs 19,700 for connecting
the Artillery Barracks
at Trichinopoly with
Offices for the Collector,
Superintendent of Police
& District Forest Officer
is submitted for
sanction in Super-
session of Mr. Esq.
for Rs 5,300 sanctioned
in G.O. No 668 N
of 27/2/88 - 6

The sum amounting
to Rs 14,400 is divided
& shown under
each individual
section of
work as follows.

Total Rs - 5,300 - 19,700 - 14,757 - 357 = 14,400

From this above it will be seen that the large excess in the revised Est. is chiefly due to works proposed subsequent to the sanction of the Est. (Items 4 to 10) all of which are explained in the report & Specification.

The following lump sum provisions are made in the estimate -

- (1) Converting existing building into a latrine - Rs - 100
- (2) Charni - " - 70
- (3) do - do - " - 63
- (4) Baiting & cleaning the wells - " - 50

The rates for all these items, as far as can be checked, are fair -

Contingencies & petty expenses are provided for in the Est. at 4 1/4% & 3% respectively -

The plans & Ests. have been considered by the Collector & Supt. of Police, and are approved in the Revenue Dept.

As the Est. concerns the Police Dept. it may be necessary to obtain the approval of the Judicial Dept.?
