N^o 634

Executive Engineer's Office,
West Coast Division,
Calcutta 9th December 1889.

From

3619

Colonel A. J. Fraser R.E.,
Executive Engineer,
West Coast Division.

To

The Superintending Engineer
4th Circle.

Sir,

I have the honor to state in reply
to your N^o 595 W.C., dated 28th Ultimo, that
transfer of the Artillery Hospital, Camanore
to the Police Department for a Central
Station was approved in the marginally
noted Government order.

2. The Subdivisional Officer was
directed on the 10th December 1888 to make
over the building to that Department which
was done.

3. On the 25th February last the
District Superintendent of Police wrote
as

G.O. N^o 3984 W.
of 20th Dec^r 1888.

as follows:-

I have the honor to point out the unsuitability of the place now handed over for the proposed Central Police station at Cannanore.

2. I request that the Artillery Canteen and Guard Room may be made over to this Department as they are far more suitable than the Hospital for the purpose required.

I may add that the Inspector General entirely agrees in this and objects to the Royal Artillery Hospital as too large and likely to cost too much to keep up?

4. An endorsement, dated 4th March, 1889, by the Acting Secretary to Government, P.W.D., enquires whether the vacant Artillery Hospital at Cannanore may be made over to the Municipality, and in reply it was stated that if the Hospital were surrendered by the Police Department it would be available for

Supp. Eng^g

6th March 1889

This office
No 133 of 14th
March 1889.

for the Municipality. The Police had the building. See Para 2 at the time.

5. The Hospital was given back by the Police in the month of June 1889 to this Department in whose charge it still remains, and there is no other information on record.
