PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Presidency Port Officer, Madras dated 29th November
1889 No. $\frac{362}{574}$ G.

An estimate from the Executive Engineer, Buckingham Canal Division, amounting to Rupees 154 for constructing a wall around the well at the Seven Sagodas Light House, has been passed by me and returned to that Officer, and as the wall is necessary to keep off the villagers from using the well and creating quarrels by putting themselves in the way of the Lightkeepers and their families, I beg that the sanction of Government may be accorded to the transfer of the agency of the work to the Public Works Department to enable the Accountant General to place the amount at the disposal of that Department from Port Funds. The usual percentage on account of Public Works Supervision and tools and plant will have to be added to the amount of the estimate when orders issue in the Financial Department allotting funds.

Order: — 12 December 1889 No. 579

The execution of the work by the
