To W.

With reference to the return of grants, expenditure and unspent balances for 20th. October 1889, the Accountant General P.W.D. in his letter No. 1028 G. dated 18th. November 1889, has pointed out that an additional grant of Rs. 1,200 for "constructing huts for transport attendants on the Poodoopet Maidan at Madras", sanctioned by the Government of India in their No. 1824 M.W. dated 12th. September 1889 should have been taken into the books of this office as additional grant for military works for 1889-90. I therefore beg to inquire whether the Accountant General is right.

RG 3.12.89

2. From the Government of India letter quoted, it will be observed that a grant of Rs. 3,600 was originally sanctioned by the Government of India for the same purpose in their No. 388 I D. dated 1st. September 1888, but this grant was not communicated to me, and the expenditure incurred against it was not accounted for in this department.

It seems possible therefore that a mistake has been made by the Government of India in treating this additional grant as a P.W.D. grant instead of as a grant to the military department; and I would suggest inquiry on this point.
