From

DIRECTOR OF PUBLIC INSTRUCTION,

To

The Honorable the Chief Secretary

Fort Saint George.

SIR,

I have the honor to report
that the construction of additional
cubicles in the Reformatory
Hospital at Chingleput, alluded
to in my letter No. 422 dated 27th
September 1889, and the very urgent
repairs to the Hospital roof which
is in a dangerous condition, have
been put a stop to for want of
funds. I would have moved
the Government to provide
- vide the necessary funds for
this very urgent work, had
I known the insufficiency of
the Divisional allotment earlier.

L. 2

I was informed by the Superintending Engineer & Clerk in the latter part of October last that orders had been issued to attend to the works urgently needed in connection with the Reformatory buildings, but no mention was made of funds. In his letter dated 12th November 1879 No 5350 (which is enclosed for perusal of Government) the Superintending Engineer informs me that the grant for the Chief Constable Division for the current year has already been exhausted and suggests that I should apply to Government for a special allotment.

2. On the assumption that it is the intention of Government that the Reformatory school should remain for some years at Chislehurst, I request that the Government be pleased to sanction a special allotment of No 5,110 towards improvement and repairs

repairs to the Reformatory buildings, and to issue the necessary orders for the early execution of the work. 3631

3. I herewith enclose the estimate for the work forwarded for my approval, by the Superintending Engineer in his submittal No 5112 dated 2nd November 1879.

I have the honour to be,
