READ—the following papers :—

From Major D. McNEIL CAMPBELL, R.E., Superintending Engineer, I Circle,

31st October 1889, No. 329 V.Z.

I have the honor to submit herewith an estimate, Rs. 6,220, countersigned by the
Officer Commanding the 28th Regiment for re-roofing the Military Hospital at
Vizianagrum in the Vizagapatam division, and to request that you will be so good as
to accord sanction to the same.

2. The Executive Engineer reports that the trusses of main ward are not quite
sound and that although they would probably last for a few years, still it is considered
advisable to replace them, and I agree with the Executive Engineer's proposal.

3. I request that funds may be provided for this work in the next year's budget
(1890-91) which has already been submitted to you, as the work is urgent and the
present roof should not be exposed to another monsoon.
