GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers :—

Proceedings of the Board of Revenue (Land Revenue), dated 4th November 1889, Mis. No. 6725.

MR. H. W. BLISS.

Read—Endorsement of the Collector of Godáviri, dated 5th October 1889, No. 26, on letter from the Superintending Engineer, I Circle, No. 1322 G.D., dated 17th August 1889.

Resolution—dated 4th November 1889, Mis. No. 6725.

With the foregoing letter, the Collector forwards an estimate for Rs. 11,770 for constructing a Deputy Tahsildar's office at Razole and requests that sanction may be obtained for it.

2. So far back as 1873, both the Revenue and the Public Works authorities recommended the transfer of the Sub-Magistrate's station from Sivakodu to Razole on the grounds that the present office at Sivakodu was an old dilapidated native shed, that any repairs done to it would be a waste of money, that the place itself was very low and always damp, and that Razole was comparatively a better place. The Government accordingly sanctioned the transfer on the understanding that, pending the construction of a new office, a suitable building was available for rent at Razole (G.O., dated 24th July 1873, No. 776—in Board's Proceedings, dated 7th August 1873, Mis. No. 4938).

3. Subsequently it was reported that no suitable building could be had at that place; the proposal to transfer the office was therefore abandoned (G.O., dated 30th October 1873, No. 1215).

4. In his present letter, the Collector reports that the present old building at Sivakodu is in very bad order and that its repairs are estimated to cost Rs. 2,000, but that it is considered useless to repair the building.

5. The Collector does not say what he proposes to do with the old building at Sivakodu and whether it is Government property. He should report on these points.

6. The Government will be requested to allot funds for the construction of the proposed building. The estimate includes a provision of Rs. 900 for ryots' shed. As under G.O., dated 7th June 1888, No. 1681 W., ryots' shed are not to be constructed in connection with Taluk offices, the provision will be excluded from the amount to be applied for, which will thus be Rs. 11,770—900 or 10,870. The Collector will no doubt remove the Sub-Magistrate's office from Sivakodu when the new building at Razole is finished.

(True Extract.)

(Signed) HERBERT BRADLEY,
for Secretary.

No. 7778, Revenue.

Approved and transferred to the Public Works Department.

FORT ST. GEORGE,
2nd December 1889.(Signed) J. GROSE,
Ag. Secretary to Government.

ORDER—dated 21st December 1889, No. 3639 W., Public Works.

With the papers above recorded an estimate, amounting to Rs. 11,770, for constructing a Deputy Tahsildar's office at Razole, in the Godáviri district, is submitted for the sanction of Government.

2. As the estimate includes provision of Rs. 900 for a ryots' shed which, according to G.O., No. 1681 W., dated 7th June 1888, is inadmissible, this item has been eliminated, and the estimate, which has been reduced to Rs. 10,870, is sanctioned for execution when funds are available.

3. This sanction has been registered as Provincial No. 97 W. of 1889-90, and classified as Civil Buildings, Original Works.

Letter No. 7770

Dated 2nd December 1889

From the Revenue Dept.:-

Sanction No. 10,570

NOTE OF REMARKS.

The estimate under
review amounting
to Rs 11,740 provided
for constructing a
24. Tahsildars Office
at Razoli in the
Godavari Dist.:-

The Estimate is
divided as follows:-

- (1) Main Building - 9,540
- (2) Toilet Shed - 900
- (3) Cook room - 630
- (4) Gate pillars - 80
- (5) Boundary wall
for a length of
10 feet - 45

(6) Gravelled path.
ways across
the building - 545

Total Est. Rs 11,740

The amount of

the Estimate had
been reduced by
Rs 900 or from Rs 11,770
to Rs 10,870 by omitting
the Ryots shed which
is in accordance
with para 6 of the
Revenue Board's Resolution
No 6425 Dated 4-11-84.

The building is to
be constructed on
the lines of the Standard
Design circulated
with G.O. No 16024
of 15-6-84, but the
thickness of the wall
is to be increased
from $1\frac{1}{2}$ ' for main walls
to $1\frac{1}{2}$ ' for cross walls
to 2' for main walls
to $1\frac{1}{2}$ ' for cross walls
as they are to be
constructed with
rubble masonry in
mortar instead
of brick in mortar.

The arched over
doors & windows
is to be of brick
in Caiki mortar.
