GOVERNMENT OF MADRAS.
MILITARY DEPARTMENT.

22nd July 1879, No. 3946.

Establishments.

Read the following paper—

No. 383. From H. H. ASLEY, Esq., Officiating Under-Secretary to the Government of India, Home Department, to Colonel H. K. BURNE, c.s., Secretary to the Government of India, Military Department; dated Simla, 18th April 1879, No. 755.

Establishments—Departmental.

Copies forwarded to the several departments of the Government of India, for information.

From C. BERNARD, Esq., c.s.i., Officiating Secretary to the Government of India, Home Department, to the Governments of Bengal, North-Western Provinces and Oudh, and the Punjab; the Chief Commissioners of the Central Provinces, British Burmah, Mysore and Coorg, and Assam, and the Resident at Hyderabad; dated Simla, the 18th April 1879, Nos. 746-53.

On the 16th February 1872 was published in the *Gazette of India* correspondence, in which Her Majesty's Government had directed—

- (1) that offices to which it is desirable to appoint persons not Natives of India should be, as far as practicable, filled from the ranks of the Covenanted Civil Service, or from the Staff Corps;
- (2) that, so far as may be possible, and consistent with the requirements of the public service, all offices, other than those reserved for the Covenanted Civil Service, and those for which technical or professional qualifications are desirable, should be held by Natives of India; and
- (3) that, as a rule, persons with special qualifications, not being Natives of India, should be engaged at home, through Her Majesty's Secretary of State, for such branches of the service as the Educational or the Public Works Department, and should not be enlisted in India.

2. Those orders have been in the main obeyed. But still from time to time Europeans have been appointed to posts for which Natives are eligible; and the Governor-General in Council deems it necessary to lay down a somewhat stricter rule, and to distinguish the branches of the service which should be, as far as possible, reserved for Natives of India. It may be well to cite here the definition of "Natives of India" framed by Act of Parliament. Section 6 of 33 Victoria, Chapter 3, says—"For the purposes of this Act, the words 'Natives of India' shall include any person born and domiciled within the dominions of Her Majesty in India, of parents habitually resident in India, and not established there for temporary purposes only." The section goes on to say that "it shall be lawful for the Governor-General in Council to define and limit from time to time the qualification of Natives of India thus expressed: provided," &c. For the purposes of the present orders, the foregoing definition of "Natives of India" is adopted, with the proviso that "persons born and domiciled," &c., within the territories of

Indian Princes tributary to, or in alliance with, Her Majesty, shall also be considered to be "Natives of India."

3. For the future, no person, other than a Native of India, shall be appointed to an office carrying a salary of Rs. 200 a-month or upwards without the previous sanction of the Governor-General in Council in each case, unless the proposed appointment falls under one or other of the following conditions, namely:—

- (a) that the person to be appointed belongs to the Covenanted Civil Service, or to the Staff Corps;
- (b) that the person to be appointed was originally nominated to the—
 - (1) Financial Department by the Governor-General after examination,
 - (2) Forest Department by the Secretary of State or by the Governor-General, after examination, or
 - (3) Educational Department by the Secretary of State;
- (c) that the person to be appointed entered the branch of the department in which he is now to be promoted, before the 1st January 1879;
- (d) that the office to which appointment is to be made belongs to—
 - (1) the Opium Department,
 - (2) the Salt or Customs Department,
 - (3) the Survey Department,
 - (4) the Mint Department,
 - (5) the Public Works Department, or
 - (6) the Police Department.

4. No person, other than a member of the Covenanted Civil Service, shall be appointed for the first time to any office, which is usually reserved for the members of that service, without the previous sanction of the Governor-General in Council. For the appointment of Natives to such posts, regulations will, with the sanction of Her Majesty's Secretary of State, shortly be issued.

5. When sanction is sought to a proposed appointment under either of the two foregoing paragraphs, the application for such sanction should show—

- (a) the education and past history of the person whom it is proposed to appoint; and
- (b) the reason why a Native of India (or, in the case of appointments under paragraph 4, a member of the Covenanted Civil Service) cannot conveniently be appointed to the vacant office.

6. Though the six departments named under clause (d) of paragraph 3 above are excluded from the operation of the present orders, the Governor-General in Council does not wish that offices in these departments should be in any way reserved for Europeans. The duties of the Opium and Customs Departments are not more technical or arduous than those of the Land Revenue and Settlements branches of the service, wherein Natives of India do excellent work. Men of the same race as Colonel Montgomerie's Native trans-Himalayan explorers can surely be entrusted with responsible offices in the survey of the plains of India. The Governor-General in Council has been glad to see that, in one most important branch of the Public Works Department of Bengal, the Lieutenant-Governor has decided that Native Engineers should be employed much more largely than heretofore. The annual police reports for the various Provinces shew that Native police officers when advanced to positions of trust do their work zealously and honestly. And the Governor-General in Council hopes that it may be possible to appoint Natives of India more and more freely to the higher offices in these departments. But for the present His Excellency in Council is not prepared to take special steps for restricting the employment of Europeans in the six departments mentioned at clause (d) above.

MILITARY DEPARTMENT, FORT WILLIAM, 11TH JULY 1879, No. 1202-D.

Copies of the above forwarded for information to the Governments of Madras and Bombay; the Government of Bengal; the Government of the North-Western Provinces and Oudh; the Military Secretary to the Government of the Punjab; the Chief Commissioner, Central Provinces; the Chief Commissioner, British Burmah; the Resident at Hyderabad; the Agent, Governor-General, Central India; the Agent, Governor-General, Rajpootana; the Adjutant-General in India; the Quartermaster-General in India; the Commissary-General, Bengal; the Inspector-General of Ordnance and Magazines, Bengal; the Surgeon-General, Her Majesty's British Forces in India; the Surgeon-General, Indian Medical Service, Bengal; the Director of Army Remount Operations; the General Superintendent of Horse-Breeding Operations; the Superintendent and Agent for Army Clothing, Bengal; the Superintendent of Marine, Calcutta; the Military Secretary to the Viceroy; the Controller of Military Accounts, Bengal; the Accountant-General, Military Department; and the Consulting Naval Officer to the Government of India.

No. 9.

INDIA OFFICE, LONDON,
10th July 1879.

MY LORD DUKE,—I forward herewith, for your information and guidance, a copy of a circular which has been issued by the Government of India to the Governments and Administrations of the Bengal Presidency, containing instructions on the subject of appointing natives of India to an increasing majority of higher offices in the Uncovenanted Service, and of reserving the offices to which it is not desirable to appoint natives of India, as far as is practicable, for Covenanted Civil Servants, Officers of the Staff Corps, or persons appointed by the Home Government.

2. I request that the principles laid down in this circular may be applied also in the Madras Presidency, and that, with the exceptions therein contained, no person, other than a native of India, may in future be appointed to an office carrying a salary of Rupees 200 a-month or upwards, unless the sanction of the Secretary of State in Council to such appointment shall have been previously obtained.

I have, &c.,

11TH DECEMBER 1889, No. 893, FINANCIAL.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

Read the following paper:—

Resolution of the Government of India, Department of Finance and Commerce (Accounts and Finance—Estimates and Accounts), dated Calcutta, the 29th November 1889, No. 6055.

Read—the following Financial Resolutions:—

No. 173-G., dated the 12th August 1864;
" 3489, dated the 2nd October 1877; and
" 430, dated the 14th May 1878.

Resolution—

By these Resolutions, Local Governments and Administrations and the several departments of the Government of India are vested with the power—

- (1) to sanction petty or moderate increases of establishments subordinate to them, the cost of which is Imperial, provided that there is sufficient budget provision for the expense under the same head of charge under any detailed heads other than Gazetted Officers' Salaries; and
- (2) to sanction general revisions of such establishments, subject to the following conditions:—
 - (a) If the additional expense which a revision may entail in the particular establishment cannot be met by an immediate equivalent reduction in the same department, it must be met by a permanent reduction of fixed expense in some other department which is charged to the same major head of account.
 - (b) No appointment may be created with a pay of more than Rs. 250 a month, and no addition may be made to the pay and allowances of any officer if they exceed, or would after the addition exceed, Rs. 250 a month.
 - (c) No appointment of which the pay and allowances are more than Rs. 250 a month may be abolished, and the pay and allowances of no such appointment may be reduced.
 - (d) No class or grade of officers may be created or abolished, and the pay of no class or grade of officers may be raised or reduced.
 - (e) The right of forbidding alterations in rates of pay or allowances, which in its opinion would produce inconvenience in other provinces, is reserved to the Government of India in the Finance Department.

All sanctions accorded in exercise of these powers are reported to the Government of India in the Finance Department in quarterly statements, and petty or moderate increases of Imperial establishments, sanctioned under these orders without an equivalent reduction in some other establishment, are considered only temporary, unless confirmed by the Government of India in the Finance Department.

2. The term "petty or moderate increases" is indefinite, and, with a view to fixing a definite limit within which a Local Government or a department of the

2- Copies to Qnty-28-8-79

Government of India may sanction increases to Imperial establishments without making an equivalent reduction in another establishment charged to the same major head of account, the Governor-General in Council has prescribed the following rule:—

A Local Government or a department of the Government of India may sanction increases of Imperial non-gazetted establishments without making an equivalent reduction in the same department; provided that—

- (1) the aggregate of the increases sanctioned does not exceed Rs. 3,000 in any year;
- (2) no appointment of which the salary exceeds Rs. 50 a month may be sanctioned without reference to the Government of India in the Finance Department;
- (3) there is sufficient budget provision under the same head of charge under any detailed heads other than Gazetted Officers' Salaries.

All increases of establishment sanctioned under these orders must be reported to the Finance Department in quarterly statements. The sanctions may be held to have been confirmed unless exception is taken to any of them by the Finance Department on a review of the statements.

Order—

Ordered, that this Resolution be communicated to all Local Governments and Administrations; to all Departments of the Government of India; to the Comptroller and Auditor-General with the request that Rule II (2), Chapter 16, Civil Account Code, may be revised; and to all Accountants-General and Comptrollers.
