Sir,

On the 6th January last, the Executive Engineer Madura Division applied for sanction for the purchase of warm clothing× for the use of Overseer's establishment at Kodaikanal, where he had been ordered to locate his office permanently till the Cutcherry work was completed. Sanction was accordingly given by me on the 9th January for purchasing the above clothing

and

and Executive Engineer has incurred an outlay of Rs 6/- in purchasing the same.

2. The Examiner P. W. A. states that the sanction of Government is necessary for admission of the above charge. I have the honor to request therefore that you will be good enough to obtain the formal sanction of Government to enable the Examiner to admit the charge.

My reading of Code para 990 (Revised in S. O. No 77) is that Government sanction for this charge is not necessary but as the Examiner considers it necessary, this application is made.

I have the honor to request permission for the purchase of warm clothing for 15 lascars of the Ganjam District at a cost of Rs 5 each. The Division Officer says that it is now very cold even in Berhampore & that if the lascars are not warmly clad when t velling at night, which they have to do with tents, they fall sick; and I agree with him as the cold this year is particularly severe as the rainfall in the Ganjam District has been unusually heavy.
