notes explaining fully all important variations between—

- (1) Revised and Budget Estimates for 1889-90,
- (2) Budget Estimate for 1890-91 and Revised Estimate for 1889-90.

4. If any alteration becomes necessary after the estimates have been submitted, a report of the modification, together with an explanation of the reasons for such alteration, should be sent so as to reach the Government of India not later than the 1st March next.

5. The date up to which telegraphic information of any change likely to seriously affect the estimates may be sent, will be communicated hereafter.
