ACCOUNTANT-GENERAL

TO THE GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government
Local and Municipal Department.
Madras

SIR,

With reference to proceedings of Government in the Local and Municipal Department No 2563 dated the 1st November 1889 directing that in future no adjustments should be made in respect of charges to be levied from Local Funds under Act V of 1884 on account of the scrutiny of Plans and Estimates of Local Fund Works by the Public Works Department until such charges are finally approved by Government, I have the honor to state that the percentage due under Government Order Financial No 1263 dated 5th October 1886 on the actual value

value of the Estimates dealt with by the
Public Works Department is calculated
and adjusted in the accounts of the
Examiner of Public Works Accounts, this
office acting only as the channel through
which such charges are passed into the
accounts of Local Boards. I request
therefore that the Government will be
good enough to issue instructions to the
Examiner of Public Works Accounts to
defer the debit of such Charges in
his accounts for the future until finally
approved by Government as now ordered.

I have the honor to be,
Sir,
your Obedient Servant
