CURRENT NO. 339

3672

Bangalore
19th October 1886

From The Revd James Jollie, Acting Senior Chaplain, Church of Scotland,

To The Honble The Chief Secretary to Government, Fort St George.

CHIEF SECRETARY
20 OCT 86

Sir, I have the honour to request that you will be good enough to submit this letter and application for the favourable consideration of His Excellency the Governor in Council.

The Kirk Session of St Andrew's Church, Bangalore, are anxious to effect some much needed improvements on the Chancel of the Church. This part of the Church has never had a floor beyond rough stones and plaster, and the cost of the renewal of matting and Carpets, which are quickly worn out on account of the nature of the floor, is very considerable. Moreover, the floor of the Chancel is lower than that of the main body of the Church — there being a gradual descent from the great door to the back wall of the Chancel — and the Kirk Session wish to raise the back portion of it, on which will be the pulpit, Choir Stalls, and, at one side, the Organ, by about 9 (nine) inches: this raised portion to be of brick in Chunam, and to be approached by two Granite Steps partly polished.

polished.

The total cost of this alteration — which would be a permanent improvement on the Church — is estimated at about Rs 250 — Two Hundred and Fifty: and, in addition, the Kirk Session are at present raising a very much larger sum for the purpose of laying certain portions of the Chancel floor with Minton Tiles, renewing the Choir Stalls and Pulpit, and changing the position of the Organ. The Executive Engineer, Bangalore, has visited the Church along with me, and approves of the proposed alterations; and I venture humbly to express the hope that His Excellency the Governor-in-Council will be pleased to sanction them, and also a grant of Rupees 250 — Two Hundred and Fifty — for the elevation and improvement of the Chancel floor, as above described, which is a permanent and much needed work, and without which this important part of the Church remains in an unfinished state.

I may remark that the amount of the Grant now respectfully

asked

asked for will probably be saved out of the Budget Allotment of Rs 500, for the visits of the Senior Chaplain. The Revd W. A. Liston, the Senior Chaplain, visited Secunderabad and Bangalore in the end of last year, and, unless something quite unexpected occurs, I shall not think it necessary to visit Madras and Secunderabad this year.

I have the honor to be
Sir
Your most obedient Servant

Read—the following letter from the Rev. JAMES JOLLIE, Acting Senior Chaplain, Church of Scotland, to the Chief Secretary to Government, dated Bangalore, 27th May 1887:—

In reply to your letter, dated Ootacamund, 21st May 1887, I have the honor to state that the Kirk Session of St. Andrew's Church are prepared to contribute Rs. 700 towards the cost of the improvements in question.

2. I may be permitted to add that within the last year the Kirk Session have raised and expended for the purpose of promoting the efficiency of St. Andrew's High Schools—institutions designed for the benefit of the middle and poorer classes of the community—the sum of Rs. 800.

Approved, and transferred to the Public Works Department.

(Signed) W. S. MEYER,
Assistant Secretary.

Ootacamund,

Order—dated 2nd July 1887, No. 1767 W., Public Works.

In the estimate of Rs. 1,162, for improvements to the chancel of St. Andrew's Church at Bangalore, received with the papers above recorded, a sum of Rs. 60 is entered for the communion table, which is Rs. 15 more than the maximum limit allowed. The estimate is therefore reduced to Rs. 1,147, and sanction is accorded to the reduced amount.

Vide rule XVIII, section IV, appendix D, Public Works Code.

2. As the Kirk Session have undertaken to contribute Rs. 700 towards the cost of the improvements, the balance of the estimate, Rs. 447, will be met from the lump sum grant to the Presidency division under Minor Original Works.

3. The sanction accorded in paragraph 1 of these proceedings has been registered as Provincial, No. 46 W. of 1887-88, and classified as Civil Buildings, Original Works.

The Exr is doubtful whether the charge to the State of 447 Rs on account of improvements to St Andrew's Church Bangalore is admissible.

The rules about Churches are very complicated; but in the present case, you will see from GO No 2966 W of 28th Nov 1881 that an Est of 380 Rs was sanctd for this church; and it seems to me that Rule XXVI Section IV Appendix D is sufficient authority — I believe the Church is used by the Military; and it is in the Cantonment of Bangalore — so that, so far as I am aware, there is no question of foreign territory

Also see Rules III & IV

26.6.87

If the Examr's view is correct. Govt. cannot pay any share of improvements be claimed. but I believe they have frequently done so, though under what rule I do not know.

Sir,

I have the honor to submit for sanction a Revised Estimate of Rs 1540 for Improving the Chancel of St Andrews Church at Bangalore in lieu of the Original Estimate of Rs 1147 sanctioned in G. O. No. 1767 W dated 2d July 1887.

The excess of Rs 393 over the Original Estimate is due to the following Items.

(1)

(1)	Marble flooring	Rs 266.
(2)	White Marble slab over Grave of Mrs McGown	Rs 100-
(3)	Contingencies &c	Rs 27-
		393.

The excess on the Item No 1 is due to the rate of Rs 100 provided in the Original Estimate having been increased to Rs 160 - the former rate having been found insufficient. Detailed Data are enclosed in support of the increased rate.

Item No 2. This is a new Item provided in the Revised Estimate. This is necessary on account of the Church floor being raised. There is immediately under the window a granite slab over the grave of Mrs MacGown (wife of Colonel McGown) buried there. The raising and renewing with marble stone the Chancel floor will cover over the above Grave stone.

If

If the present Grave Stone were to be raised to the level of the new floor the granite slab will not harmonize with the new marble floor.

It is therefore proposed to lay a marble slab 5' × 2 3/4" with inscription over the present grave stone at a Cost of Rs 100. As this will form part of the raised floor I recommend that sanction may be given for this Item as a Special Case.

The revised estimate ~~amounting to Rs 1540~~ for improving the chancel of St. Andrew's Church at Bangalore is sanctioned in supersession of the estimate of Rs 1162, sanctioned in G. O. 1767. W. dated 2nd July 1887. ^×

SIR,

With reference to G. O. No 1305 W dated 3d May 1888 I have the honor to request sanction to a total expenditure of Rs 1668 for improving the Chancel of Saint Andrew's Kirk Bangalore.

The Excess over the revised Estimate is due to the receipt of a quantity of Marble tiles from Bombay by the Contractor Mr Vandon - broken, it is said in transit by rail; they were both ordered & received by the Contractor instead of, as they should have been, by the late Executive Engineer himself; but as the present Executive

Executive Engineer reports that Mr. Vardon is in no way to blame for the receipt of the broken tiles, it is now necessary to recoup ~~him~~ for the actual Cost incurred thereby Rs. 1667-7-1 being the amount of the final bill, no further demands will be made on account of this work.
