NILGIRI DIVISION OFFICE,

EXECUTIVE ENGINEER, NILGIRI DIVISION,

OOTACAMUND,

To

THE SUPERINTENDING ENGINEER,

FOURTH CIRCLE,

COIMBATORE.

SIR,

With reference to your Para 2 of
No. 32 of 28th January 1889, I have
the honor to state that I only require
Rs. 2500 of the grant of Rs. 7013 for
Improving Ooty Water Supply lying
North of the Lake, as entered in my
statement of Surrender and Demands
sent to you on 24th ult.

2. The balance is the approximate saving
on the Water Supply estimate. I
can spend it if Government will
permit

permit me to proceed with the
masonry lining of the Northern supply
channel, for which sanction was
refused in G. O. No 3002 of 24th Sept/88
and will communicate that sanction
by telegraph.

I have the honor to be,

Sir,

Your most obedient servant
(By order)

K. Raghavendra Rao Achar
Executive Engineer

No. 65
E.O.

Submitted to the Chief
Engineer P. H. D. with reference to G. O. No.
213 & of 25th ultimo.

2. With reference to para 2 of the
foregoing letter the undersigned solicits
order by telegram and strongly re-
commends that the work be sanctioned
as there is now great loss of water through
percolation, none can be spared as the
supply

supply from this source has certainly
been overestimated at any rate for
dry season like the present year. 401

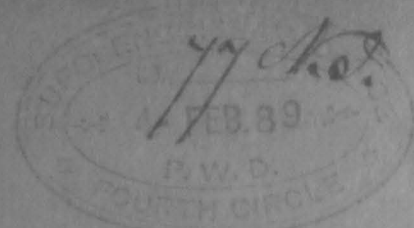

3. He also takes this opportunity
to request that orders on this office
statements of savings and demands
under date the 1st February 1889 may
be passed as soon as possible by wire
