READ—the following paper :—

From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 30th January 1889, No. 485 A.

I have the honor, by order, to submit, for the consideration of Government, a letter * from the General Officer Commanding, Southern District, recommending that the house now occupied by the Sergeant-Instructor of the Wynaad Company of the Malabar Volunteer Rifles and for which building a monthly rental of Rs. 20 is now paid by Government may be purchased outright, so as to prevent any possibility of the house passing into other hands, in the event of which no other quarters would be available for the accommodation of the Sergeant-Instructor.

2. It will be noted that there is about $1\frac{1}{2}$ acres of land adjoining the quarters, the valuation of which is fixed by the Revenue Department at Rs. 45.

ENCLOSURE.

From Colonel G. ROWLANDSON, Commanding Southern District, to the Quartermaster-General, Madras Army, dated Wellington, 26th January 1889, No. G. 34.

I have the honor to request that Government may be asked to purchase the house now occupied by the Sergeant-Instructor of the Wynaad Company of the Malabar Volunteer Rifles.

2. The house is now rented by Government at Rs. 20 per month for the Sergeant-Instructor.

3. The house in question is the property of the Basel Mission and they are desirous of selling the same and ask Rs. 1,500 for the house and piece of land.

4. The Executive Engineer, West Coast division, to whom the matter was referred, states that Rs. 1,500 may be considered the value of the building occupied by the Sergeant-Instructor, Malabar Volunteer Rifles at Vayitiri, and a further sum of Rs. 200 would be required to put it in repair. The land is about $1\frac{1}{2}$ acres in extent and the Revenue Department fixes the valuation at Rs. 45.

5. I would beg to point out that the house from its central position and nearness to the drill ground and range is the only place suitable for its present purpose; should the mission sell the house to any one else, great difficulty would be experienced in finding another.

mends the purchase by
Government of the house

habitable house for the
Sergeant Instructor, and
the Engineer advocates
the purchase, lest it should
fall into other hands.

According to page 23,
Appendix C, P.W. Code,
a Sergeant Instructor of
Volunteers is entitled to be
provided with quarters

\$1500, and the Engineer
Engineer values it at that
figure plus \$45 for the
land.

to put the building in
repair.

\$20 per mensem is
14 per cent per annum
on a capital of \$1700

therefore be advantageous
to Government.

The cost must be met
from the grant for military
works, as no funds are
available at present, but
an allotment can be
made after 1st April.

It is to instruct the
Jt. Engineer to see at
once to the title, and to
arrange preliminaries as
regards drawing up a
conveyance. The transaction

may well - but see whether
there are any orders restraining
the powers of this Govt in the
matter. owners consent.
