THE SUPERINTENDING ENGINEER,

SIR,

In reply to your endorsement No 15
dated 14th instant, I have the honor
to state that the billiard lights were
considered to come under the head
"chandeliers" in the list printed
with G. O. No 2450 W of 12th September 1888,
and were, therefore, debited to the
subhead "furniture" of the estimate
for constructing Government House,
Ootacamund.

I have the honor to be,

Sir,

OFFICE NOTE No. 158

To Q. W.

Forwarded, with the
remark that the list of furniture to
be supplied by the P. W. Depart-
ment to Government Houses printed
with G. O. No. 2450 W. dated 12th
September 1887, includes lamp ~
brackets and chandeliers, but that
from the wording, it would appear
to be clearly the intention to
exclude lamps, themselves whilst
admitting any kind of fixed
support for a lamp or other light.
Thus against brackets is added
(within brackets) lamp, candle or
gas, whilst against chandeliers is

similarly added "gas or candles" but
not lamp presumably because apart
from hanging lamps, such things
as lamp-chandeliers are unknown,
so that a lamp-chandelier would
be an inadmissible lamp and
not an admissible support for
the same.
