For orders whether
this petition may be
submitted to the Hon.
for orders, & so,
whether any recom-
mendation should
be made.

The question as
regards increase of
pay should apparently
be governed by the
consideration whether
there is any difficulty
in obtaining men on
the present scale of
pay.

With regard to
warm clothing - under
Code para 824, warm
clothing may be allowed
to watchmen & general
servants whose duties
in the opinion of the
Authority are such as
to require it.

To.

Col. A. J. Brown R. E.

Commander Engineer

West Coast Division.

The humble petition of the undersigned
peons of the West Coast Division.

Most respectfully sheweth.

That your honors humble petitioners
long cherished the desire of representing their
grievances to your honors kind consideration and
they now beg to take that liberty with a sanguine
hope of being redressed.

2. That your petitioners humbly beg to
state they their present pay of Rs 6 per mensem is
scarcely adequate to maintain their family even in the
meanest style possible, as the place is obviously
become costly and the provision what we can get
for 4 annas then, now exceeds a rupee in worth.
And the house rent is so much raised that we
cannot get a hut for not less than a rupee.
Briefly speaking everything is gradually
become dear & dear. And the seasons of the
West Coast is extreme that a reasonable supply
of clothes is quarterly necessary.

3. That your humble petitioners
respectfully beg to point out that the peons
other Departments get a reasonable pay in
this District in consideration of all these,
though they have little out door work.

4. And the peons of the P. W. Department

themselves are allowed these concessions in the
 Districts where the persons are poor and the
 provisions dear.

5. They therefore most respectfully
 beg your honor will be graciously pleased
 to pity their condition and kindly recommend
 for an increase of pay (to 8) with a supply
 of warm clothes for which act of charity,
 your honor's humble petitioners will ever feel
 grateful.

3. In consequence these men have to be, like the Clerks and other Establis-

a sufficient rate of pay was to be offered to attract a suitable class to an unengaged locality).

Le. Beyond the issue of an umbrella to each for the rains, men do not require warm clothing, as a rule, except when taken to the Mysore.

What is the application? Ap
parently that men now on
Rs 6 shall get Rs 8, & warm
clothing. The latter request
is absurd. As to the former
the number & employment
of the men in our states,
but as far as the latter go
no case is made out for
exceptional treatment in
Malabar. Taluk being the
get I imagine only Rs 6 as
in other districts. 11/1
