From

BRIGADIER-GENERAL N. PROTHEROE, C.B., C.S.I.

QUARTER MASTER GENERAL,

To

THE SECRETARY TO GOVERNMENT,

MILITARY DEPARTMENT.

SIR,

I have the honor, by order, to forward for sanction and transfer to the Public Works Department for disposal, the estimate, plan, &c., below-mentioned which have been approved by the Commander-in-Chief. The plan and estimate have been countersigned.

Estimate amounting to Rs. 2452 for constructing verandahs, in continuation of existing ones, attached to the Places of arms of the 9th Regiment Madras Infantry at Royapuram, with report and plan.

I have the honor to be,

Current No. 1091

Letter No. 798

Dated 1st February 1889

From the Military Dept.

NOTE OF REMARKS.

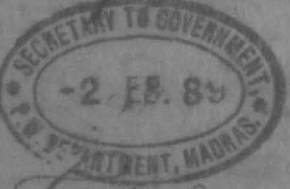

The plan and
Estimate under
review amounting
to Rs. 2452 provide
for constructing
Verandahs, in
continuation of
the existing ones,
for the Place of
Arms at Ragapuram
at present used
by the 9th Regiment
of Madras Native
Infantry.

It is stated that
the South face
is only partially
protected by
short lengths of
verandahs and
that great inconvenience
is felt by rain

No 798 Approved
and transferred to
the Public Works
Department for
disposal.

beating in, it is therefore
proposed to continue
the verandah the
whole length of
the southern face.

290 lineal feet of steps
are provided for in
the Est: the steps
are not shown
on the plan but
they are shown
on the cross section.

The Supt: Engr
in a note on the
plan directs that
round instead
of square pillars
be adopted for
the new work. As
the existing pillars
are square it would
be well to keep
to square pillars.

The pillars retaining
walls & steps are to be built
with brick in mortar
& plastered.

The flooring is to be
of 8" sq bricks laid
on 3" of concrete, and
pointed with cement.

The roof is to be of plank
& rafters & thatched.

The pillars should be
built to correspond with
those which support the
existing verandah - It seems
unnecessary to provide 290
lineal feet of steps, and
before the estimate is
sanctioned the Supt: Engr
should satisfy himself on this point.

Laid on tank in plan
which are to be covered
piled 3 coats.

The plan & Est: have been
carefully reviewed by the V. M.
Board: and approved by
the V. M. Board: Dated:-
7/2/89. C. P.

Note by the Chief Engr. P.W.D.

The estimate amounting to
Rs. 2,452, for constructing ^{additional} verandahs
for the places of arms at Royapuram
now used by the 9th Regiment,
M. N. I. being within the Suptg.
Engineer's power of sanction, vide
G. O. No: 3561 W & J November 1888,
should be returned to that officer
with the following remarks:-

- (1) The pillars should be built
to correspond with those which
support the existing verandah.
- (2) It seems unnecessary to provide
290 lineal feet of steps, and
before the estimate is sanctioned
the Suptg. Engr. should
satisfy himself on this point.
