Public Works Department.

No 1606 C dated 10th May 1887.

Circular Memorandum.

It having been pointed out that the practice of charging the pay of maistries to more than one work is contrary to the code rules, the Chief Engineer desires to be furnished by the 1st March in each year with a statement showing the total cost of the petty supervision establishment proposed to be employed on general duties in each circle.

2. The cost should be divided under the heads "Original Works" and "Repairs".

3. A statement for the present year should be submitted as soon as possible.

4. On receipt of the required information, the necessary transfer of funds from Works to Establishment will be made.
